

Games I own, Played & Have Liked

Note: Some of these games are casual puzzles, some do have combat, some, like *Spiritfarer* and *Cosmic Wheel* are cozy, but deal with emotional subject matter that can be tough. Many of them are pixel-graphics but not all. Enjoy.

- Aka
- Bear & Breakfast
- Bugsnax
- Calico
- Caravan Sandwitch
- Cats Organized Neatly
- Cattails
- Cheeky Chooks
- Coffee Caravan
