

I have used these templates repeatedly and have gotten accepted more than 90% of the time.

Your Application is a pitch and you should do it properly.

I have provided the two templates that you can use for video and blog content applications.

You are to edit them to match your niche, name, content type and results.

Also, try to include links to your blog, website, social media pages or YouTube.

Please, do not copy and paste this. Make some edits to match what you need.

I hope this helps you.
