

FairPlay 4 Inclusion: Mix-Gender Football match

On Saturday 9/October/2021 System and Generation Association organized a mix-gender and inclusive football match.

The event was open to everyone, and it was played by participants of both genders  , according to the principles of FairPlay and Inclusion. It was not a competitive match, but rather an outdoor healthy physical activity, played with joy and team-spirit.

S&G covered the cost for renting the football pitch and the transportation costs for volunteers, students and people currently unemployed.
