

Research & Internship Committee Application

Name: _____

Baylor Email: _____

Current Semester Hours: _____ Cellphone Number: _____

Major(s)/Minor(s): _____

Expected Year of Graduation from Baylor: _____

Number of Semesters as a BMSA Member: ____ (put 0 if this is your first semester)

Were you an **active** BMSA member last semester? (put N/A if first semester) _____

Cumulative GPA (If no college GPA, put N/A): _____

Classification (Please circle/highlight one): Fr So Jr Sr

Open Ended Response: Please type your answers to the following questions using as much space as necessary.

1. List any previous leadership positions, academic commitments, internships, and research experiences. Briefly describe research and internship experiences.
2. Are you involved in any other academic or non-academic organizations? Please list all.
3. Why have you decided to apply for the BMSA Research and Internship Committee? What other BMSA committees (if any) have you applied to? If you have applied to other committees, please rank each one by preference. (This will not affect whether or not you will be considered for an interview.)
4. Why do you believe research and/or internship opportunities are important to undergraduate education?
5. Do you have any medical-related certificates, experiences, or skills?
6. What are your plans after college?

NOTE: In order to participate in a committee, you must pay your dues BEFORE being accepted unless you have discussed due exemptions with the treasurer and/or president.

Requirements:

- Must serve on the committee for the entire semester.
- Must attend at least two general meetings for the entire semester.
- Must earn 120 points by the end of the semester (includes up to 40 committee points), following the BMSA general requirements of 15 service points and 15 academic/workshop points, to be active.
 - If inactive for one semester, the committee member will be put on probation.
 - If inactive for two semesters, the committee member will be removed from BMSA.

Applications will be due by **Thursday, September 18th, 2023, 11:59 P.M.** Please email all applications to david_valdez2@baylor.edu, with the email subject line **“RIC Application.”** In addition, please rename your application file as **“Last name, First name.”** Applicants may advance to a required **15-20 minute interview**. You will be contacted via email for an interview place and time. After interviews are conducted, all accepted and rejected applicants will be contacted via email (or phone if necessary).

By typing my name below (electronic signature), I hereby agree that all information provided above remains to the truth. False statements, plagiarism, and disclosure of the interview process may cause the disqualifications of my application and report to our faculty advisor.
