Extending Your Ministry Beyond the Screen

Greetings in Christ,

Thank you for taking a moment to read this. What I want to share with you today is less of a business opportunity and more of a ministry one — a way to close a gap that nearly every large church with a digital presence faces but rarely talks about.

The Gap Your YouTube Ministry Can't Fill

Your videos reach hundreds of thousands — sometimes millions — of people every week. That is a genuine move of God.

But embedded inside that reach is a quieter reality: thousands of those viewers are hurting, searching, and reaching out in comments and messages with needs that a video cannot meet. They need a real conversation. A prayer. A voice.

Your ministry has the people to serve them. What's been missing is the infrastructure.

"Carry each other's burdens, and in this way you will fulfill the law of Christ." — Galatians 6:2

What Premium.Chat Makes Possible

Premium.chat is a platform that allows your pastors, counselors, elders, or ministry leaders to offer private, paid 1-on-1 video sessions — pastoral care, prayer, spiritual guidance, or counseling — to anyone in the world, on any device, at any time.

How it works:
1. Join free and set your rate The platform is completely free to join. Your leaders set their own per-minute rate. We recommend starting at **$2.75/minute** — that's the rate at which platform fees result in fair compensation after deductions.
2. Offer sessions to your audience Share your Premium.chat link with your congregation and YouTube audience. Anyone who needs personal pastoral time can book directly — no barriers, no gatekeeping.
3. Serve them wherever they are Sessions run through video call using whatever tools your leaders already use. No new equipment. No new learning curve.
"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap." — Luke 6:38

The Financial Dimension — Stewardship, Not Just Income

At $2.75/minute, approximately **two hours of ministry sessions per day** generates around **$250 in daily provision** for your church or ministry leader.

That's not a side income. That's a real contribution to:

- Pastoral salaries and support
- Missions and outreach funding
- Church operations and expansion

And it flows directly from the ministry your leaders are already doing.

"The worker deserves his wages." — Luke 10:7

The Congregation Blessing — Affiliate Provision

Here is where this extends beyond your leadership team.

Every person who joins through your affiliate link becomes part of your referral network. You earn **2.5% of the gross earnings of everyone you refer — for life.**

Real numbers:

- **25 congregation members** joining and averaging $250/day each = **$57,000/year** in affiliate provision flowing to your church
- **50 members** at the same level = **over $114,000/year**
- And that's before second-level referrals — the platform also compensates at two levels deep

These aren't projections. They're arithmetic. Your congregation is filled with people who have skills the world needs — pastors, doctors, lawyers, teachers, coaches, counselors, tradespeople. Every one of them becomes both a beneficiary and a multiplier.

"A generous person will prosper; whoever refreshes others will be refreshed." — Proverbs 11:25

Who in Your Congregation Could Participate?

The platform isn't limited to pastoral staff. Any member with a skill that helps others can offer private sessions:

- **Counselors and therapists** — licensed or peer support
- **Doctors and nurses** — health guidance
- **Lawyers and accountants** — professional advice
- **Teachers and tutors** — education support
- **Life coaches and mentors** — personal development
- **Tradespeople** — virtual consultation and guidance

Every connection multiplies the blessing.

"Be very careful, then, how you live — not as unwise but as wise, making the most of every opportunity." — Ephesians 5:15–16
