

What is the contest?

- A Winter Ball (Fashion Show)

What is the objective?

- To create the most **unique**, **theme-fitting**, and **pleasing** outfit for your Wings of Fire (or just dragon) OC to attend the Ball in one of the three categories: **Ballroom Dancing**, **Figure Skating**, or **Fashion Show**!

What are the rules?

- Please read all the rules! I know it seems long but I promise it'll only take a couple minutes, this is just to ensure everyone's entries can be taken and all the rules are followed :D
- MUST include your watermark/YouTube name IN THE DRAWING! (Just a legible signature will do!)
- Must include which category you are entering into in your entry! (Either in the title or description)
- No inappropriate clothing/poses
- Should be (but doesn't have to be) a complete outfit, including a headpiece/facepiece, neckpiece, leg/armpiece, main jacket/shirt/top/dress. Optional: (pants, socks, shoes, gloves, jewelry, other accessories.)
- Makeup is encouraged! (Like sparkly eyeshadow, colorful mascara, glitter, etc.)
- Make them look fancy!
- Must use an OC belonging to you! If you did not design it or otherwise got it from someone else, you must credit them! Feel free to create a new OC for this contest as well :D
- Feel free to put the OC in fun poses and places! (Ideally at the Winter Ball)
- Try to stay as close to the theme of your choice as possible (**Ballroom Dancing**, **Figure Skating**, or **Fashion Show**), but make sure they all have the underlying theme of winter!
- **MUST tag me in your video (@CrabRang00n) AND send me the link to your video in the comments of the reveal! Otherwise I will not see it and your entry will not be taken! If you are making a community post, tag me in it and comment on the reveal video**

that your entry has been posted! If I do not leave a comment on your video within a day of you posting it, please leave a comment on the announcement video!

- Making a video is encouraged so I can save it to the playlist of entries, but a community post can be accepted as well!
- You don't have to ask to enter! (I mean you can if you want but I'm letting anyone join XD) Just see this, make your outfit, and send me the link!
- No copying others please! If you have the same idea try to work it out with each other or choose another design, or keep it the same if that works better!
- MUST draw your OC in your OWN STYLE, CANNOT use someone else's base!
- Try to be as creative and unique as possible!
- Try to think of one of the themes/rewards, [Ballroom Dancing \(overall design\)](#), [Figure Skating \(theme-fitting\)](#), and [Fashion Show \(creativity\)](#), while making your outfit.
- MUST have the outfit entry posted before December 14th if you want to qualify for the prizes!
- Feel free to make multiple outfits for your OC (for the same theme or for multiple), but keep in mind that you can only officially submit one for a chance to win! Make sure to tell me which one you are submitting to be judged and which ones you made for fun :> I will, however, include all of your entries in the Honorable Mentions!
- Make sure that the outfit is very clear to see! Try not to clutter the space too much :>
- Go crazy with your ideas and HAVE FUN! :D

What are the themes? (DON'T BE SCARED ABOUT THE WALLS OF TEXT- I JUST ADDED DESCRIPTIONS TO EACH TO HELP YOU UNDERSTAND THE THEMES A BIT BETTER XD)

- **[Ballroom Dancing!](#)** (Subthemes: [elegance](#), [ball gowns](#), [lace](#), [pearls](#), [tool](#), [hoop skirts](#), ["Disney Princess" or "Prince Charming" style.](#))

Description (I talk mostly about ball gowns here, but feel free to do a suit or tuxedo as well!):

Elegant and dramatic ballroom outfits fit for fairytale royalty! The dresses are complete with layers of delicate lace and tool, decorated with intricate details of jewels, flowers of fabric, and pearls. These outfits are completed with satin gloves, dazzling earrings and tiaras, and of course, the iconic poofy hoop skirts! Get creative with your design, and don't be afraid to experiment with shapes of skirts/tops/sleeves/trims, or anything else!

- **[Figure Skating!](#)** (Subthemes: [Sparkles](#), [light](#), [flowy](#), [short](#), [graceful](#), [delicate](#), [rhinestones](#), and of course, [figure skates!](#))

Description: *Graceful and delicate garments complete with figure skates and fit for the ice. Each outfit is crested with tiny, glittering jewels and sequins, sparkling in the night sky filled with brilliant northern lights. These outfits can be inspired by anything from colors, to themes, to emotions, to elements of nature, or simply a beautiful sight conjured in one's own imagination inspired by the wonder of winter! These garments are less about "showing off" with big statements or layers of lace, and more about the beauty of simplicity and color, while of course being perfect for skating on the ice!*

- ***Fashion Show!*** (Subthemes: *Statement, bold, out-of-the-box, showy, high fashion, heavily themed, magical, whimsical.*)

Description: *Dazzling displays of the wonder and enchantment to be found in the winter season. These bold outfits are show-stoppers, and while they may not be the typical outfit someone would wear, they are certainly very showy, grand, and unique. Each outfit is teeming with originality and symbolism, relying heavily on just one or two central themes based around the coldest and most magical time of the year. Examples could be (but are certainly not limited to!) northern lights, snowflakes, icicles, snow, hot cocoa, crystals, flowers, etc. Feel free to use any of these or come up with your own! Don't be afraid to think outside the box: the runway is yours! :D*

When are the outfit entries due?

- December 14th, 2024

How many winners will there be?

- There will be three winners. One for **Ballroom Dancing (overall design)**, one for **Figure Skating (theme-fitting)**, and one for **Fashion Show (creativity)**

What decides the winners?

- Whichever outfits I feel fit the winning requirements best.

What are the prizes?

- For the winners: a fully shaded drawing of their OC wearing the outfit they designed (+their theme's winning crown) in the winner reveal video, a shoutout, and their art shown in the video
- For the other participants: a shoutout and your outfit shown in the Honorable Mentions section of the winner reveal video

Ref for the character: There is none! You get to dress up your own OC in your outfit for them to attend the Ball :D

Good luck, everybody!! I can't wait to see your entries :D
