

News Literacy Integration Action Plan

Name:

Grade:

Subject:

Purpose Statement:

Why is integration of news literacy important for your students?

Overall goal:

How would you like to integrate news literacy skills into your teaching? The ultimate goal is to equip learners to become self-sufficient and productive with news and have an equal opportunity to participate in the civic life of their communities, country and world.

Learning Standards:

Use the space below for brainstorming and planning for news literacy skills integration in the context of your subject area. Include Standards for both as well as ISTE Standards:
