EXPERIENCE

Student Teacher – 3rd-5th grade | 2022-Present
Northeast School: Evergreen Park School District 124 | Evergreen Park, IL

- Used a range of research-based instructional, management and assessment strategies to teach each student at their level
- Utilized given curriculum to guide lessons and instructions
- Utilized positive behavior management strategies to reinforce positive behavior and routines within the classroom.
- Collaborated with my cooperating teacher and other professionals to create ideas and lessons that benefit all students
- Attended and participated in different types of meetings and professional development
- Collected feedback from other colleagues and professionals on how I could improve my teaching practice and applied it to my instruction
- Collected and used assessment data to drive and adjust instructional practices

Registration & Residency and Extended Day Coordinator Assistant | 2021-2022
Evergreen Park School District 124 | Evergreen Park, IL

- Supervised a five-school extended day programs day-to-day operations and workers to ensure a happy, safe environment for all students
- Communicated and created relationships with parents, answered questions and resolved issues about various topics within the extended day program
- Found resources and trainings for extended daycare workers to address questions and needs within the extended day program
- Conducted interviews with parents looking to enter the district ensuring all paperwork and information was present and all questions were answered
- Worked cooperatively with student support services in matters of extended day and registration

Paraprofessional | 2020 -2021
Northwest School: Evergreen Park District 124 | Evergreen Park, IL

- Taught educational material provided by the head teacher in a one-on-one, small group and online setting
- Used positive behavior intervention strategies to support students
- Created positive relationships and communicated cooperatively with staff, students and parents
- Performed multiple duties given by cooperating teacher

Paraprofessional/1:1 Aide | 2017-2020
St. Barnabas School | Chicago, IL

- Created and adapted curriculum to the developmental level of student
- Tracked data to see if current practices and skills are effective and made changes as needed based on data collected.
- Helped students navigate social/ emotional skills
