

Election Integrity Opportunities –

How can you help? *

Contribute locally, statewide, and/or national levels.
Your involvement can truly impact the election process, ensuring
fair and transparent elections.

"Together We are Making a Difference"

1. **County-** Join your local county election integrity team or start one.

- Hillsborough: Republican HREC & Protect Your Vote Florida
- Focus: Voter Rolls Analysis and Clean-up, Poll Watching, and Legislation
Contact: Michael Shupe - mshupe@verizon.net
Teresa Miller- (alternate)

2. **Statewide-** Participate in monthly statewide calls to network and develop statewide strategies. Collaborate with county members to establish priorities, manage working groups, partake in national calls, and share pertinent updates during statewide discussions.

Focus: Grassroots efforts to identify areas of concern on voter rolls, holding Supervisors of Elections accountable to the statutes and voters, analyzing statewide data... establishing priorities.

Contact: Teresa Miller protectyourvoteFLORIDA@gmail.com

3. **National-** Election Integrity Network (EIN) -Whoscounting.us

Focus: For effective discussion in statewide meetings, it's best for team members to focus on one or two topics. They should prepare and report detailed information during these sessions to ensure strategy development.

Contact: **To participate you need to register for the zoom meetings:**

At this prompt: "How did you hear about this meeting?" put "Teresa Miller, FEE"

National weekly zoom calls topics, times and days vary.

*New Members: To get started, sign up to become a member and familiarize yourself with the ProtectYourVoteFL.org website. This resource provides an overview of the organization's activities and structure. Assess your interests and skills to determine how you can contribute to your local county efforts. Additionally, 2025 is an ideal time for new members to join national calls. These calls offer valuable perspectives and ideas that can enhance your contributions to both state and local teams.
