The results for May/16, week #06, are in and are posted to our website:

## □ Announcements

(None.)

## □ Low Net, Gross

Div\_1: It was a **Tyler Towner** (net 33/38 gross) vs **Matt Helton** (34/40) shootout.

Div\_2: **John Welch** left his division in the dust with a 30/46. This is John's second consecutive week of leading in Low Net.

- For low gross, John's 46 was his best since the start of 2023.
- Nod to the 47 gross scores of **Larry Ota, Pete Binder, Doug Quick**.

## □ Handicap Changes

Comparing 9Hole Handicaps which improved from after\_wk05 to after\_wk06:

Div\_1:

- In Div\_1, **Gene Milener's** Handicap is the only one that decreased (from 8 to 7). Gene's Index decreased from 7.1 to 7.0.
- Two golfers had their Handicaps increase (by 1).

Div\_2:

- In Div\_2, **John Welch's** Handicap is the only one that decreased (from 17 to 16). John's Index decreased from 15.7 to 15.2.
- One golfer had his Handicap increase (by 1).

## □ Clean Cards

Div\_1, No Double-bogeys: **Tyler Towner**

- Almost clean: Matt Helton, Larry Markeson.

Div\_2, No Triple-bogeys: **John Welch, Larry Ota.**

- Almost clean: Ross Gerona, Doug Quick, Ron Skidmore, Tim Yefimchuk, Mark James; and the entire scorecard of Pete Binder, Tom Brunner, Al Hagen.

## □ Birdies

Div\_1: **Eric Anderson, Matt Helton, Tyler Towner.**

Div\_2: **Doug Quick.**

## □ Most Pars

Div\_1, @5: **Jeff Roberts, Larry Markeson, Tyler Towner.**

Div\_2, @2: **Dave Cabrera, Larry Ota, Rick Petosa, Al Hagen.**

- Oddly, the Div2 gross score leader had *0 pars and birdies*, and instead **John Welch** hopped onto the Bogey train and enjoyed the fruits of consistency.

## □ Points

For the next two weeks wk07 & wk08, we continue with Random pairings. But for weeks wk09 & wk10 we will switch to pairings in Points sequence.

Div\_1: **Tyler Towner** increased his Points lead from 4 to 6. **Jon Moen** jumped up to second place.

Div\_2: **David Fisher** retains his Points lead, despite not being able to attend on May/16 wk06. But now **Yuriy Khryukin & Ross Gerona** are close enough to know what brand of after-shave David uses.

## □ WFunC (Weekly Fun Competition)

Every WFunC winner has received their \$10 Pro Shop merch card, for weeks 1-5.

For wk06 the WFunC was - "Most 0 putt holes, the (if necessary) most 1 putts, most 2, etc" (333). This competition did not care which scorecard you were on, just which division.

The winners:

Div\_1: **Dave Creasia**, with a 0 putt on hole #10. (I swear I/GeneM came very close to catching Dave on four later holes with a 0 putt, and I had more 1 putts, but close is not good enough.)

Div\_2: **Larry Ota's** par on hole #09 involved a 0 putt, which tied Larry with **Doug Quick's** 0 putt birdie on hole #08. Larry then won with 2 1\_putts vs 0 1\_putts for Doug.

BTWay, Dave had 16 putts total, Larry had 15, and Doug had 18.
