Trivia

! Note: the trivia info in this document does not change the current trivia information. It's just rather an add-on to the current while some changes the current due to a new redesign/retcon. !

- Dearest's My Demons Exclusive Design is based on Jurard T Rexford from Hololive, who debuted as the 3rd gen member of the Holostars EN branch, ARMIS, on November 17th, 2023.
 - His cape design is based on Dio's design prior to becoming a vampire.
- Dearest's My Demons Exclusive Design render is based on Jotaro's render from Part 6, Stone Ocean.
 - Daddy Dearest's old design render was based on the former before his current design render was based on Garcello's render that was used in the Hazy River wiki page.
