

Name: _____

Controversy Research

Group Members: _____

Topic (in question form): _____

Requirements:

- ☐ Your group will find **three** articles that give facts about your topic, be sure you have at least two pros and one con. You **MUST** use a database from the library website. (No Google search or Wikipedia).
- ☐ Print the articles so that EACH PERSON has their own copy.
- ☐ Each person will read and annotate at least three articles to support your position.
- ☐ Include a counter argument in your slide show.
- ☐ Take notes on index cards and complete citations on Noodle Tools.
- ☐ Our claim is: _____

Presentation: You will present three reasons with evidence for each of the reasons and one counter argument. Your slides should be in bulleted form so you are NOT reading every word. **Everyone in the group must speak during the presentation. You will have a total of 7 slides that are visually appealing.**

Slides should have a heading:

1. Cover Slide - State your topic
2. Reason 1- one or two sentences
 - Evidence in bullet format on slide
3. Reason 2- one or two sentences
 - Evidence in bullet format on slide
4. Reason 3- one or two sentences
 - Evidence in bullet format on slide
5. Counter-argument

Your counter-argument should include one or two reasons that support the other side of your argument and your comments as to why this reasoning is not valid.

6. Final conclusion slide: Remind the audience of your initial claim.
7. Works cited.
