All of our **home games** will be streamed live on the NFHS Network this season. I will send the link out on facebook, live feed. You can set Weldon Valley as a favorite on the website and it will make it easy to navigate to find our games.

If you can't make it to a game, it's a great way to watch the action, either live or on demand.

There is a \$70 annual charge or \$11/month for the service. There are several other schools in the area that use this for their live streams.

Let's have a great week to get the year started. GO WARRIORS!!!
