Abstract (English)

An abstract consisting of 150 to 250 words with 11 points Times New Roman, 1 space and left aligned. Abstract includes research problems, research objectives, research methods, and research results.

Keywords: italicized, written 3-5 words alphabetically

Introduction (12 pt, Bold)

The introduction contains research problems, objectives, research benefits, and the state of the art or the differences between this research study and previous research), research objectives and questions, the importance of this study and novelty values that show the originality of the research. Review literature that contains the novelty of the research.

It is recommended to use the text box feature in MS Word to accommodate images or graphics, because the results tend to be more stable against formatting changes and page shifts compared to inserting images directly.

[Justify, Times New Roman 12, space 1]

Research Method (12 pt, Bold)

The research method includes a research approach, data collection techniques, data types and data analysis techniques.

[Justify, Times New Roman 12, space 1]

Results and Discussion (12 pt, Bold) (Subtitles if needed)

This section contains clear and concise analysis or results of research. Please highlight the differences between the results or research findings and the findings from previous studies.

Research findings must be written with the support of adequate data. The research results and findings should be able to answer the questions in the introduction.

subtitle.

[Justify, Times New Roman 12, space 1]

Captions of Tables and Figures

All tables and figures written in the manuscript must be adjusted to the order of 1 column or the full size of one paper, in order to make it easier for reviewers to see the meaning of the images.

Example of writing a table:

Table 1. Table Title (Times New Roman, 12 pt, Bold)

Year	Amount
2018	400 People
2019	980 People
2020	1200 People

[Justify, Times New Roman 11, spasi 1]

Sample of Picture:

Figure 1. Captions for Figures (Times New Roman, 12 pt, Bold)

Conclusion (12 pt, Bold)

The conclusions contain the answers to the research objectives. Conclusions are made briefly, and clearly based on research results and recommend the development of science.

[Align right-left, Times New Roman 12, space 1]

References (12 pt, Bold)

It is recommended using Mendeley reference application, use APA style 6, minimum 15 reference sources. The list of references contains everything that is referenced in the text which comes from that source; (a) relevant, (b) at least 80% current (last 10 years), and (c) at least 80% primary (especially from journal articles)
