Pastoral Care Notes

Current Priorities This Week

Name	Date	Needs	Actions Taken
Mark and Valerie Condon	31-10	Was doing better, but she overdid it, and fell back in a heap again, and is pretty weak again.	
Jack	07-11	Attended. Expressed desire for the Lord, touched by message.	
Dean	31-10	Came once or twice but haven't seen him for a few weeks again.	
Chris Cook	15-11	Good health results.	
Stephanie,		Stephanie's parents going through lots of deterioration. Need to decide whether Dad will go into care or not. Stressful.	
Mark and Kaylin	31-10	Mark's knee taking a long while to come good. Kaylin working a lot. Sierra enrolling in a public school with a bad reputation.	

Hands and Feet Contacts

Di and family	22-12	.	
Gail Bolt, daughter Latoya		Interest in church	
De		De had great chat with Gaby and Robyn last week. Told her life story- a life spent on drugs and alcohol, only recently has come clean which she attributes to the working of God in her life. Seems ripe to invite her to go deeper in relationship with God.

New To Church

Process:

Name	Date	Needs	Actions Taken
Izzy, Meka		Fleur's neighbour. Open to spiritual things.	
Jonathan and Lisa			
Lee and Robyn	31-8	Very regular, keen to be involved. Lot of experience in ministry and life in general. Very passionate in faith, tends to have some "conspiracy" theory views on end-times. Charismatic in beliefs, but wary of PEntecostal extremes, seems to be well balanced, but quite out there in talking about his charismatic beliefs.	
Ron and HEather			
Marinda Hayward	15-9	Is living in Women's refuge?? Has had lots of health troubles, is doing a bit better now	
Megan	14-9	Kerrie's carer. Expressed appreciation for the service.	
Sarah	21-9	Kerrie's carer. Expressed spiritual desire, raised hand in service, asked questions about whether the spiritual	

		experience she had was enough, or whether she needed church etc.	

Not present at church recently
