

Maungatautari Horticultural Happenings 2020

Dear Maungatautari Whanau,

Our school's annual Ag Day is happening on Thursday 15th October. The following information is for children who will be participating in the Horticultural Happenings activities. If your child has an animal for Ag Day, the following information does not apply to them, as your child will be busy training their animal during Week 1.

It is important that your child has chosen 2 activities from the 5 that have been listed:

Must Do: Choose <u>at least two</u> from this list:	Optional Family Activities
Vegetable Creation Meal Vegetables, Skewers Toothpicks Matchsticks etc Named, safely wrapped vegetable knife – For teacher supervision. 	 Camarosa Vouchers to be won! <u>Extra Family Fun Activities to be done before the day:</u> <u>Create with your siblings.</u> <i>(Prizes to be won!)</i>
Decorated Cupcake/ Biscuit Cupcake/ Biscuit Icing Decorations 	Hanging Basket Create a hanging flower basket with your family at home and bring it to school to display. This will be judged and the option to be donated to beautify the school. 
Decorated Gumboot Gumboots Flowers Ribbon Any other necessary decorations 	Scarecrow Create a Scarecrow with your family at home and bring it to school to display. This will be judged. 
Miniature World in a Box (Reused or 'natural' items only) Lego Toys Stone/ rocks Flowers Leaves, etc 	Please let the office know if you are entering either of these categories.
Wire Art Some prep will need to be done at home. You can hammer in the nails. Wire bending and shaping will need to be done at school. Bend wire to create an animal shape. 	

It is important that your child practices their chosen activities before Thursday 15th October, so they feel confident to make their creations independently on the day.

On Thursday 15th October, we ask children to arrive later (8.20 am onwards) as we do not start making creations until after the bell and roll has been taken.

Please make sure your child comes to school with their items altogether (in a bag or box), name items if you do not want them to get lost. If you are able to assist teachers on Thursday morning when children are making their creations that would be a great help.

Thank you for your kind assistance in preparing your child for Thursday's Ag Day!
If you have any questions or queries please see your child's classroom teacher.

Kind regards,

Maungatautari Teachers
