

Staff did check the report I did so don't @ them sorry for not mentioning earlier I completely forgot

I am personally disgusted by these messages so I am warning you right here, read at your own discretion

Hi, I am Keyz! I have come to report the actions of the host and a player in the tournament DnB Enjoyers Cup 2 (Link to their forum post:

<https://osu.ppy.sh/community/forums/topics/1691500?n=1>)

Discord(the ones they have posted on their forum post: <https://discord.gg/UxWMeZut7Q>)

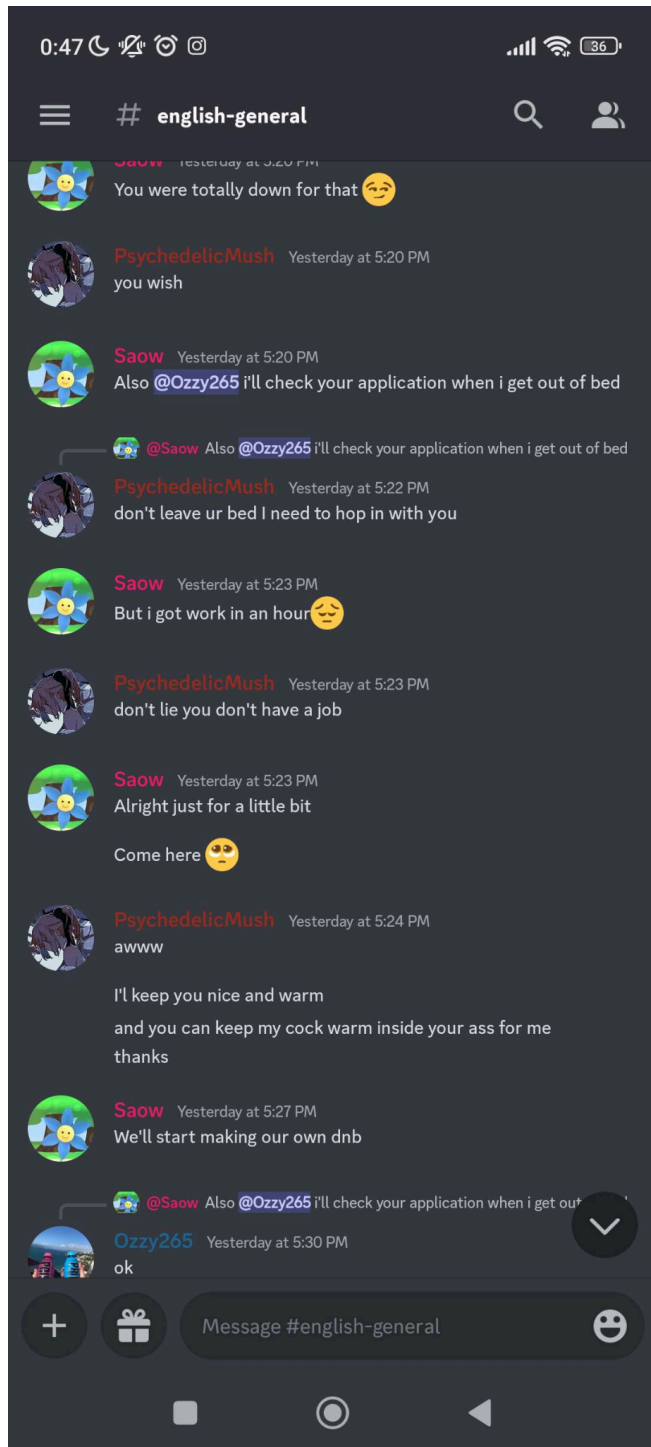

These will be mostly images about NSFW talk, discussion with me regarding this NSFW/borderline pedo attitude and them downplaying what I say because they've said worse stuff in private. I join tournament discord servers to play and MAYBE do some banter but it's all in the safe for work realm that I could open anywhere and nobody would bat an eye. THIS attitude that I'm showing is the reason why people will think osu is so messed up and I don't want this to remotely get close to anyone because I hate it!

Here are the images in imgur in case you don't see shit and want to read better:

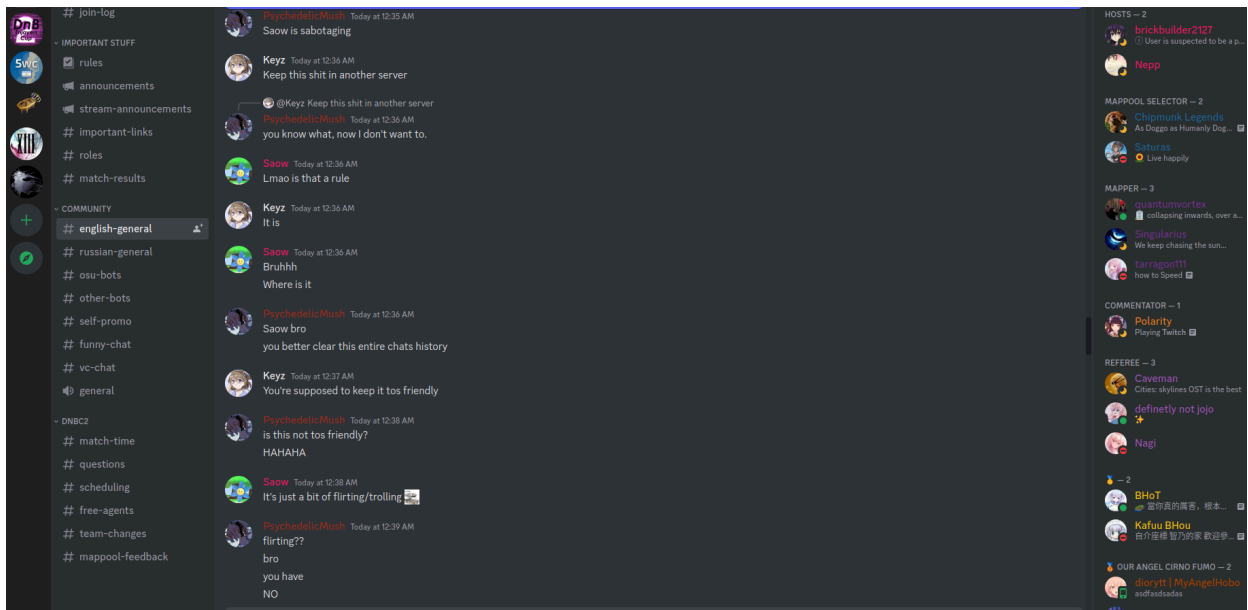

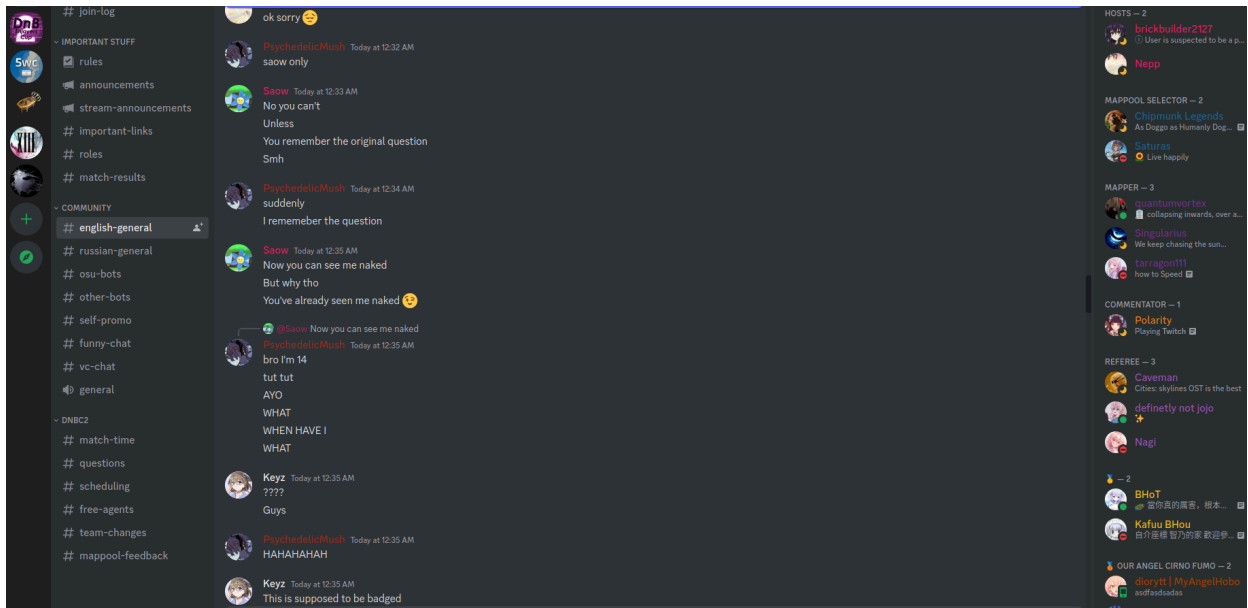

<https://imgur.com/a/wVOVV1I>

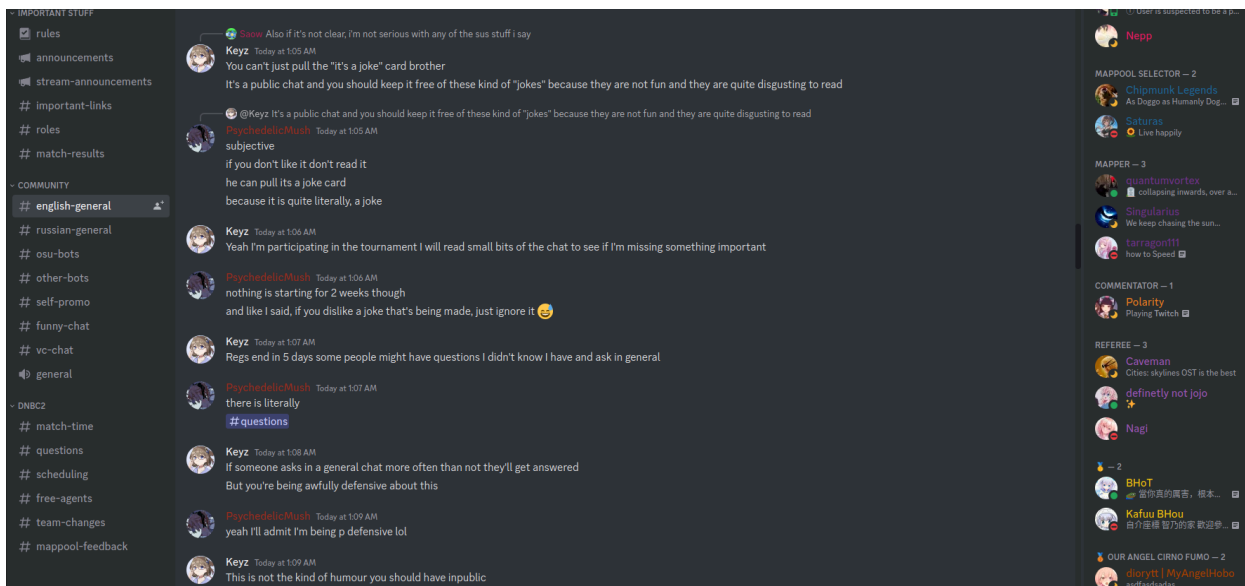

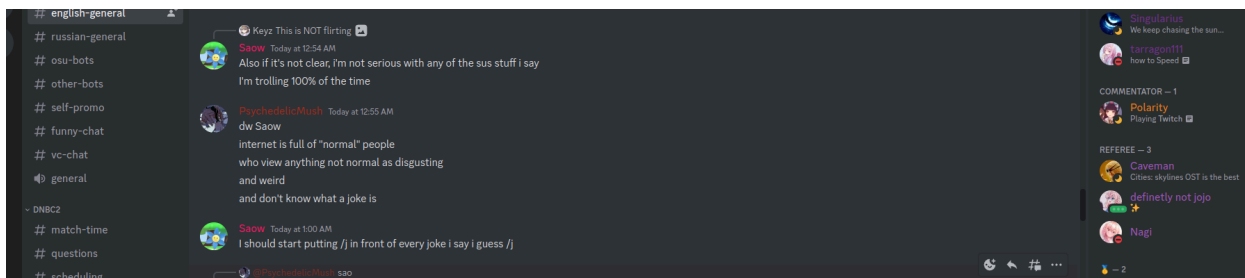

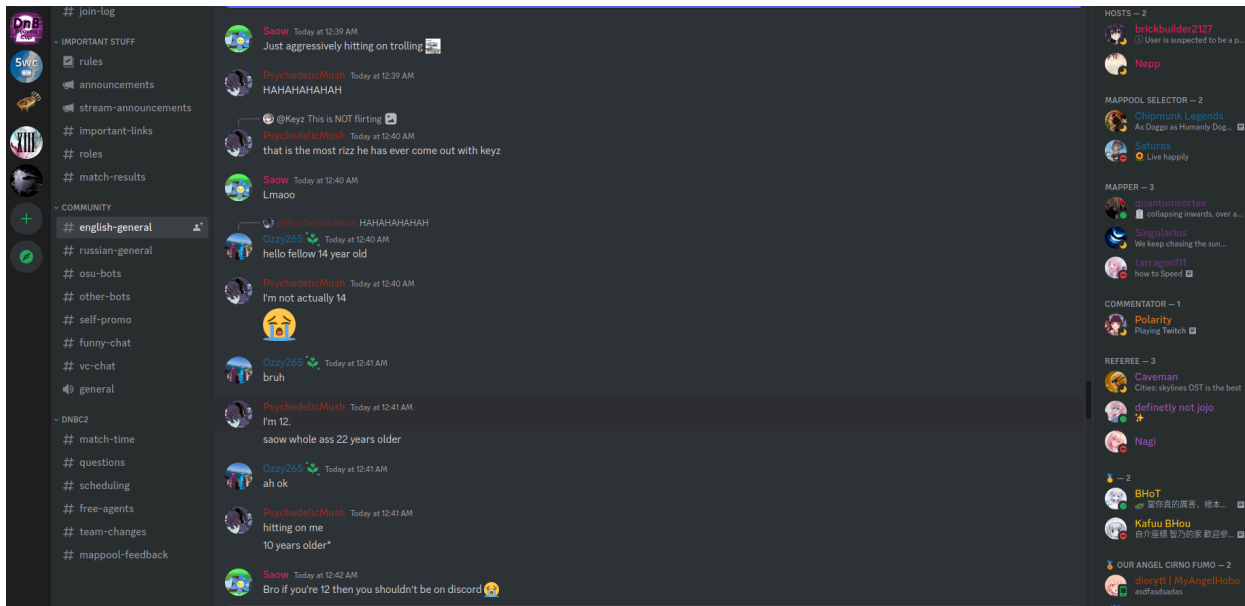

I won't do many comments in between images since I believe the images speak for themselves but:

- 1- I do not care about what you do in private
- 2- You are supposed to keep tournament servers and public spheres overall clean of this behaviour, you don't want to encourage this kind of stuff in the open(nor in private but refer to 1-)
- 3- You cannot downplay something by saying "I've done worse stuff"
- 4- I'm deeply ashamed that the other host simply did not care and said nothing about this other than the "reminder not to post what I say in vc" and "this was pretty entertaining"
- 5- If you're ok with this type of behavior please do tell me! I want to make sure I've got you blocked :)
- 6- If the people involved are going to say sorry, please don't bother, I know you're really not sorry for what you said and it's just damage control 👍

PsychedelicMush Today at 1:09 AM

I just personally don't see an issue

Keyz Today at 1:09 AM

It's like saying "oh hitler did nothing wrong" in front of a public

PsychedelicMush Today at 1:09 AM

if it's a joke

with no malicious intent

and clearly not in line with said persons beliefs

what is the issue

no harm is being caused

also this is NOTHING like trying to back a disgusting individual like hitler

like bro made a joke about me seeing him naked

???

Keyz Today at 1:10 AM

So acting things out like a pedo is not disgusting

I am starting to see something weird

PsychedelicMush Today at 1:11 AM

????

what are you seeing that's weird

and nobody is acting like a pedophile

??????

Keyz Today at 1:12 AM

I must be getting old then

My bad keep saying you are 14!

PsychedelicMush Today at 1:13 AM

bro literally knows I'm 19

as does basically everyone who chats in here

Keyz Today at 1:13 AM

I do not know

Why should I know

Why should I know

PsychedelicMush Today at 1:13 AM

you don't talk here, why would you know

that, and the joke was not intended for you

at all

Saow Today at 1:14 AM

if you think i'm a pedo then your just wrong. I was aware of mysh being legal and they are joking being underage

PsychedelicMush Today at 1:15 AM

it's not like I regularly go around saying I am underage

Keyz Today at 1:15 AM

Even if you two know, why do you have to joke like that on a public chat of a tournament server

Saow Today at 1:15 AM

Also there are no pics or anything being shared around

Keyz Today at 1:15 AM

Why don't you go do those jokes on a private server

Saow Today at 1:15 AM

That's all a joke

PsychedelicMush Today at 1:15 AM

Why are you making a deal out of this

it is

satire

LMAO

as I said earlier

if you do noot like it

Keyz Today at 1:16 AM

It is disgusting to read that kind of stuff in a public environment

PsychedelicMush Today at 1:16 AM

okay well,

I apologise that you found something we did disgusting

Today at 1:17 AM

lmao

okay

what will we do without Keyz playing in the tourney 🙄

@Saow I agree we probably shouldn't make jokes like that

but idk why they needed to make such a massive deal and accuse either of us to be acting like a pedophile

Saow

Today at 1:20 AM

Also it's not like I said the joke after they said they were 14

PsychedelicMush

Today at 1:20 AM

some people are just

idk

1:20 AM

I mean I do genuinely get his point

but at the same time, just ask us not to do that in future no need to accuse us of things and all that

Saow

Today at 1:23 AM

Lets just tone the sussy stuff down

Despite me disagreeing I don't want people to feel uncomfortable here

@Saow

Despite me disagreeing I don't want people to feel uncomfortable here

PsychedelicMush

Today at 1:24 AM

I actually agree with his point negl

just didn't need to make a scene and compare it to hitler 🤡

Saow

Today at 1:25 AM

Don't agree with me being a pedo but I see their point

PsychedelicMush

Today at 1:26 AM

I obviously don't agree you're a pedo

autistic and not great with social shit, maybe LMAO

not a pedo tho
