

Current Week (9/15-9/21):

- Students who have post-secondary plans/interests that pertain to the field of agriculture have been invited to attend the Hillsdale County Agriculture Career Day, at Red Line Equipment, on Tuesday. We are excited for them to have such an opportunity.
- We will host Saturday School this coming Saturday, September 20th, from 8:00am until 12:00pm. Students who are failing two or more classes will be referred to Saturday School; however, any student seeking additional academic support is encouraged to attend. Students who are planning to take advantage of the opportunity should see Mrs. Griffiths to be added to the roster.
- Fall homecoming festivities will be here before we know it. The homecoming football game will take place on Friday, October 3rd, at 7:00pm. The parade will take place prior to the game, at 6:00pm, and will follow its traditional route on US-12. Contrary to previous years, the homecoming dance will be held on Saturday, October 4th; the dance will be at JMS and will span from 8:00pm until 10:00pm. The homecoming dance will be semi-formal. Finally, the homecoming spirit days are as follows:
