 - EASTER OUTREACH - pretty cool. A lot of walking involved. Reached out to people that were at the bars, and spoke to them about the organization. Another bar, were wondering what they were doing. Monarchs got another contact for next and other events. Tattoo potential for a raffle or some sort of donation.
 - Empress inducted to House of resurrection.
- RANDY
 - SALEM CORONATION - Made the tie with the center piece. Loved having all the participants coming together to work on the piece.
 - SACRAMENTO: Coronation and a wedding, it was a unique coronation. During Victory Brunch - met with Alexis Moranda met with Empress. Got SF to come back to coronation this year. Received Emperor and Empress award from the Sacramento past monarchs.

Lots of photos with Mother Jose, and banners for the 1st 5 reigns, sceptors, jacket, and Emperor/Empress 10, the original crowns, and lifetime title holder has a vest of all coronation pins, and programs 1-20 with the original emblem for ISE (totally different).
