

Workshop 1

Classic Country Jam & Singalong w/Jess Eliot Myhre

8:30-9:45 am June 14, 2025

Honky tonk and early country music lovers rejoice!

We'll be playing favorites by Hank Williams, Patsy Cline, Dolly Parton, Charley Pride, and many more from the 1930s-60s. Bring your uke, a singing voice, and a song or two to share or lead. Other instruments and vocal harmonies are welcome and encouraged! Optional, *but will give you very fancy bonus points*: knowing what key you sing the song in, a willingness to take a solo, written charts, or an ability to call out chords to help your musical comrades follow along!

Jess performs and teaches all over the country: in performance halls, theaters, universities, festivals, dance tents, music camps, dive bars, house concerts, the woods, on the back of bicycles...She produces an annual tribute to Patsy Cline, has added guitar and upright bass to her repertoire, and has become an award-winning songwriter.
