

On the SMA home there will be a Canvas link in the top menu.

Once you click on this option, you will be directed to a landing page. Select the option that best suits your role.

Log in as a:

If you are a new Canvas user and still need to create your account, click on the “Parents of a Canvas User?” link located in the top right corner of the login page.

The image shows the login page for Simary's Academy's Canvas system. The page has a dark blue background. In the top left corner is the 'SIMARY'S ACADEMY' logo with the tagline 'FAITH COMMUNITY JUSTICE RESPECT'. In the top right corner, there is a link that says 'Parent of a Canvas User? Click Here For an Account', which is circled in red. Below the logo, the word 'Login' is displayed. There are two white input fields: one for the username and one for the password. Below the password field, there is a checkbox labeled 'Stay signed in' and a 'Forgot Password?' link. To the right of these is a white 'Log In' button.

Fill out the form with your personal information. For the Student Pairing Code option, you can obtain the code directly from your child's account or you may contact your school's Administrative Assistant or the SMA IT Department for help (via helpdesk@smanet.org). The blue "What is a pairing code?" link will give you additional information about how to obtain this information with the help of your student.

Once you have filled out all of the information, click "Start Participating".
