Our Vision: GVS fosters creative, happy, healthy students who are both thinkers and doers, actively contributing to their community and the world. At GVS, children develop into **well-rounded socially, emotionally and physically intelligent learners**, growing their **creativity, critical thinking** and **craftsmanship** through **engagement with their local communities and the world**.

Our Mission: GVS provides an educational program focused on **agriculture and environment** in a small caring dedicated school community as unique as the rural surrounding in which we live.
