

Healthcare Science Interviews

Overview

Thank you for agreeing to interview students for the Healthcare Science class! The purpose of this interview process is to give students practice in their communication skills for interviewing. In the link below you will find some documents to help guide your interview with the students. Please feel free to utilize the questions in the link but you can always ask the students questions of your own.

Process

Below is a chart that will tell you the time and the student that will come to your classroom or the student will FaceTime you. Interviews should be between 3-5 minutes. Students will be interviewing for the role of School Liason. [Click this link to get a detailed breakdown of job description.](#)

Fill out the rubric that students bring to the interview and return it to Mrs. Lewis before you leave for the day. You can get a preview of the rubric on page 15 of the documents listed under "Resources".
