

Would you like to learn New Testament Greek so that you can read the Bible in a deeper and more informed way, but you struggle with the time or money that it might take?

Dr. Jordan Dyck is an MCC member with 17 years of experience teaching Greek, and he is teaming up with Thriving Ministries to offer online classes for only **\$10/lesson or \$100 for all twelve**, to MCC members and clergy worldwide.

This is heavily discounted and partially funded by Thriving Ministries and is limited to twelve spaces. Sign up now to get seminary level education in an LGBTQ inclusive environment.

We invite people to sign up from all around the world.

The course is scheduled to run for twelve weeks, and will be an introduction to New Testament Greek, beginning with the alphabet. If enough people are interested then it will continue afterwards, for as long as it takes to equip you with a full understanding of how to read the New Testament in its original language.

The pace will be fairly slow so that it is manageable on top of other commitments, but Jordan is a very experienced teacher who will ensure that you are able to learn well with whatever time you have available. By the end of twelve weeks, you will have a basic grasp of how New Testament Greek works and will have read some original texts from the New Testament with the help of the teacher.
