

Nomination for Retired Members Guild Ontario Representative

I would like ask for the support of Ontario Guild members to elect me to the Retired Members Guild Executive.

I have served my union and its members for over 25 years in many capacities including consultation with the employer, Group contract negotiations, at the regional level, nationally as IT Group president and in representation of our members as a PIPSC Steward.

I feel that I can bring that experience forward in continuing support of our union.

Given that the Guild will be overseeing the Steward Mentorship program I feel that I can bring my skill sets as IT Group national organizer in ensuring the success of this endeavour. The backbone of our union is its stewards and anything we can do to bring our experience to these members is critical.

My experience is as follows:

- 12 years CS-IT Group President
- 6 years CS-IT Group National Vice President
- Member, CS-IT Group Bargaining Teams
- 4 years Ontario Region Executive
- Member, PIPSC Strategic Bargaining Committee
- 22 years member of CS-IT Group National Executive
- 8 years CS-IT Group National Organizing Committee Chair
- Recipient of:
 - 2006 Ontario Region Steward of the Year
 - 2023 PIPSC Lifetime Membership
 - 2023 Ontario Region Glenn Maxwell Executive of the Year Award
- 25 years member and 11 years President, ESDC National Consultation Team
- Founding President Greater Toronto Area Branch
- 25 years PIPSC Steward

I promise to do my utmost to serve the interests of retired members and promote our standing in our union.

In solidarity,

Stan Buday
