

Learning Support Opportunities - Office Hours, Small Group and One/One Tutoring

Dear Renaissance 2nd-grade Families,

I hope you are continuing to adjust to our new normal of online school for the rest of this year. Since we are going to be online for another 6 weeks, I want to make sure all families know the additional support resources available to help you and your students at home. In addition to classroom teachers, we have our grade level aides, the reading intervention team and our math interventionist all working tirelessly to provide office hours support, small-group and one-on-one tutoring to help struggling students and families. If your student is struggling with their learning at home, I encourage you to take advantage of the supports available!

I have listed your students office hours and support team contact information below. Please do not hesitate to reach out directly to our support staff to schedule regular appointments for your student to receive online tutoring. We will do our very best to accommodate as many students as we can.

2nd-grade Teacher Office Hours

Mrs. Rich Office Hours - Small Group Math & Language Arts Support (2nd-grade aide)

Mrs. Covey - Small Group Math Support
