

# DIGITAL LEARNING WITH GSUITE

G Suite For Education

WE USE GSUITE IN ORDER TO SUPPORT COLLABORATION, TO MAKE LEARNING VISIBLE; THE EXPANSION OF INFORMATION DEMANDS THAT LEARNERS ACQUIRE THINKING SKILLS TO HELP THEM TO EVALUATE INFORMATION THEY FIND ONLINE

TECHNOLOGY IS USED TO ENGAGE AND EMPOWER LEARNERS SO THAT THEY CAN TAKE MORE CONTROL OF THEIR OWN LEARNING; IN ORDER TO FIND ANSWERS FOR THEIR OWN QUESTIONS LEARNERS NEED TO BE ABLE TO READ, UNDERSTAND, DECODE AND INTERPRET ONLINE TEXT, VISUALS, AND CHARTS WITH A CRITICAL STANCE

WE USE TECHNOLOGY TO MAINTAIN COMMUNICATION WITH OUR LEARNERS EVEN WHEN THEY ARE NOT IN CLASS; WE NEED TO SUPPORT LEARNERS TO THRIVE IN THEIR LEARNING IN A COMPLEX INFORMATION RICH ENVIRONMENT

LEARNING TASKS CREATED WITHIN GSUITE ALLOW FOR COLLABORATION, CREATION AND CRITICAL THINKING; LEARNING IS SOCIAL AND TECHNOLOGY PROVIDES OPPORTUNITIES TO SHARE AND LEARN WITH OTHERS; TECHNOLOGY IS ALSO USED TO SUPPORT ORGANISATIONAL AND PRODUCTIVITY SKILLS

GOOGLE CLASSROOM CAN BE USED TO SHARE ALL RESOURCES WITH LEARNERS; LEARNERS NEED TO DEVELOP EFFECTIVE DIGITAL LITERACY SKILLS AS THIS IS AN IMPORTANT TOOL FOR LEARNING BOTH NOW AND IN THEIR FUTURE

WHEN INTEGRATING TECHNOLOGY WE ALWAYS START WITH THE LEARNING OUTCOMES AND USE TOOLS THAT WILL ALLOW FOR THE LEARNING TO BE ENRICHED EITHER BY PROVIDING IMMEDIATE FEEDBACK OR GIVING LEARNERS MORE CHOICE TO PERSONALISE THEIR LEARNING
