Dear Grenora Parents,

It is that time of year to start thinking about PROM!! The Grenora Parents of students from grades 8-12 are included in the Parents After Prom Association, which we call PAPA. (All 9th - 12th grade students may attend prom, some 8th grade students are asked to serve for prom, and all 8th - 12th grade students are able to attend the after-prom party.

This year prom will be in Grenora at the school on Saturday, March 23rd. The after-prom party will be held at the ARC. (More detailed information to come) The Grenora parents will be in charge of the after-prom party this year so we will need your help!! We will need to provide prizes for all students who attend the after-prom party, chaperones, food, and we will need help organizing and working our fundraisers to come up with the funds to put on this fun event for our kids.

We will have a planning meeting **Sunday, November 5th at 6:30pm**. Please come and help us plan the details of the after-prom party and bring your ideas and help for fundraising! Not only is this a great opportunity for us to work together to provide a safe, fun night for our children, but also a great opportunity to get to know each other and form new partnerships as parents.

We ask that each family who has a child in grades 8-12 who doesn't have time to donate to help with all our fundraising efforts please donate \$50 to help with expenses. Your donation can be mailed or dropped off at the school office. (If paying by check, please make it payable to Grenora School PAPA and mailed to:

We have fundraising activities to include selling 50/50 tickets, basket raffles (if you donate a basket, you can consider that your \$50 donation), bingo, and concessions at some of our home basketball games. Dates to be determined. We are always looking for new fundraising ideas! This summer we had Suzie Q's ice cream truck come to the bash! So, bring your ideas to the meeting!

Thank you for your support. We hope to make this another FUN and SAFE after prom party for our kids! Please call or text with any questions.
