So, in all, you can receive up to €1,000 plus 250 free spins. The minimum deposit for each offer is €20, and you can only win up to 3x the bonus amount.

Keep in mind that you can only play the Starburst slot game using the free spins. Additionally, you must meet a 50x wagering requirement to withdraw your winnings.

Other Promotions

Here are the other bonuses and promotions you can claim as a Monster Casino player:

Triple Action

You can opt-in for the Monster Casino Triple Action promo and receive 360 free spins plus up to €1,500 in extra cash. The offer is claimable with a €20 minimum deposit, and it allows you to get up to three times the bonus amount. Also, the wagering requirement is 50 times the bonus.

Double Delicious

With this promo, you get a 25% bonus up to €500. You need to opt in for the offer, and you can only claim it twice as a Monster Casino player. The minimum deposit for the Double Delicious promo is relatively low, at €10, but the 50x wagering requirement remains. Additionally, you have two days to use the bonus, or else it expires.

Friday Points Boost

On Fridays at Monster Casino, you can earn more comp points to boost your status in the VIP program. You're eligible if you deposit up to €10 using the "FPB" promo code. Afterward, the casino gives you missions, which you must complete within 24 hours. Each completed mission rewards five comp points.

Saturday Spinner

Monster Casino rewards players with more free spins on Saturday. To qualify, simply ensure your first deposit of the day is up to €10 and enter the "PLAY" promo code. Then, you'll get 10 free spins to play the Rise of Olympus slot game. Like the other bonuses at the casino, the Saturday Spinner promo has a 50x wagering requirement.

Sunday-Funday

The Sunday-Funday promo offers a 20% BONUS up to £500. Claiming the bonus requires a minimum €10 deposit, and while making payment, use the "SUN" promo code. Interestingly, you can receive this offer twice every Sunday. The bonus money and winnings stay valid for two days, and you must meet the 50x requirement to withdraw.

Monster Casino VIP Program

You won't get a conventional VIP program at Monster Casino. Instead, the gaming site features a rewards program. So, as you continue playing games in the lobby, you earn exciting prizes.

The rewards program depends on comp points, which you accumulate by completing missions at Monster Casino. You reach higher ranks as your comp points increase, and that also means bigger prizes.

Monster Casino Review

Monster Casino has been in the iGaming industry for some time now, having launched in 2017. The platform is owned and operated by ProgressPlay Limited, with licenses from the UK Gambling Authority and Malta Gaming Authority. Having double licenses underscores Monster Casino's status as a safe and fair gaming site.

When you sign up at Monster Casino, you meet an intuitive and visually pleasing interface. You don't need much navigation to find an ideal game. The casino displays all the hottest games on the homepage, so you can start playing with a click.

You have to deposit to claim the welcome package as a new player, and Monster Casino makes that easy with seamless payment methods. However, note that the site doesn't support crypto. Additionally, payments you make using Skrill won't attract bonuses.

Monster Casino ensures you play responsibly with features like self-limits and self-exclusion. You'll find these options in your account settings, so you must reach out to the casino support team. Also, Monster Casino provides contact information of top gambling assistance groups for more help.

Games and Software

Slots are the major games you can play at Monster Casino. The site features hundreds of these player-favorites, including top titles like Magic Powers, Monkey Bonanza, Sheep Gone Wild, and Cursed Seas. The site isn't rich in RNG-based table games, but it makes up for this with live dealer titles.

Deposits and Withdrawals

Payments at Monster Casino are possible using credit and debit cards, PayPal, Apple Pay, PaysafeCard, Trustly, MuchBetter, Skrill, Neosurf, Neteller, and Payz.

While deposits are typically instant, withdrawals take at least 24 hours to process. Furthermore, as a licensed casino, it requires that players complete account verification before making their first withdrawal.

Mobile Compatibility

You can play at the Monster Casino mobile version using your smartphone and experience quality gaming. The version is lightweight, with fewer page elements, ensuring a faster loading time. Yet, you get access to every game the casino has to offer.

Customer Support

Monster Casino supports live chat and email. You get prompt replies with either option, although using live chat is faster because it offers real-time assistance. The Monster Casino website also houses an FAQ page and other resources you'll find helpful.

User Testimonial

The theme and logo of the casino just caught my eye. I won some money and was able to withdraw all my money without any hassles. And the best part is that customer support is really helpful when it comes to queries on bonuses and withdrawals.

ECB Verdict: 4.5/5	Monster Casino has a vast slot collection with high-reward bonuses and convenient payment methods. However, the welcome bonus wagering requirement may be too high for some players. Regardless, it's a platform we highly recommend to players.
