dinofvyou1 highlights [1](#) | [2](#) | [a nice](#)

- he misses us
- when he does livestows with phil he feels like he needs to be more interesting
- it's nice but sad to be back home
- now he has to actually decide what he's doing every day
- he's coped with the post your sadness by eating
- the jet lag was really bad
- he felt dead for a while today
- younow broke
- there we go that's the livestow
- jk he's back
- now he's broadcasting in #thankseyounow
- it broke yet again
- he's back
- now it's #younowpls
- he misses the crew too
- it was crazy performing in the palladium
- afterparty drinks talk
- if you had more than 3 of phil's drink you'd probably die
- he thought he had the hair jumper on his floor but there were just loss of sample jumpers w/o designs
- his room is terribly messy
- buy the new merch at danandphilshop.com #spon :^)
- the calendar is pretty incredible
- they didn't intend for the pictures to be Slightly Sexual
- every pic looks like they're about to start stripping
- they'll be back in stock this weekend
- phil's watching him
- when dan mentioned phil was watching phil left
- they try to set up and do things in their own way but the american publishers didn't do things as they planned
- they're sorry that they didn't announce the book signing
- the publishers told them the barnes & nobles signings were ticketed but they weren't
- he's on the side of the angry dad in that video because signings & stuff need to be more organized
- also he wasn't being sassy
- naperville's signing was nice because it was ticketed and Snow

- nyc was really cold
- the weather changes over last week & traveling were really weird
- they almost got stuck in chicago
- the poll was a shitpost
- he's sorry
- it was pointless
- he was actually curious though
- pinof7 SOON
- he hasn't seen donald trump's instagram
- they did Press in nyc
- "i'm so tired i just wanna die"
- america was really funny w/ the press tour
- he got distracted mid sentence by phil and waffles
- he feels bad when we're out of the loop
- the press tour was weird because they were talking to a new radio/tv station every 30 seconds
- for like 2 hours they had like the same conversation with different people and it was really funny
- the huffington post interview was amazing and fun
- in america more people understood youtube and it was more fun
- all the uk press stuff was mostly just them explaining what youtube is
- sirens
- the good morning spokane one was really funny because there was 5 seconds of lag
- the tumblr offices are amazing
- the workers are cool and nice
- #OfficeGoals
- "instagram phandom" "stop"
- don't troll donald trump in his name he doesn't want the attention
- he's been so sappy lately
- it's good though
- he wants to mention it in a dinof video
- then back to the neverending sarcasm
- this season of haikyuu has been amazing
- he can't pronounce anything right; he doesn't care
- radio 1 asked him for his favorite viral video of this year but he can't think of any
- spam him with viral videos from this year
- he loves going to nyc
- dan's queue is scheduled to go tonight look out on the tumblies
- he watched ant-man and jurassic world on the plane
- they were both really good
- he wishes he saw them at the cinema
- if you're on the fence, do it
- binaural technology
- they actually did all of those things in the trailer
- 3d audio is cool

- "dan and phil: always gotta be different"
- how has his channel been so alive
- so much has happened just since october even though they've been working on it all for aaaggggeeeesss
- it's been like a year since the book was properly started
- the book is perfect which is scary as dan's a terrible control freak and perfectionist
- same with the tour
- those things deserve to be as good as possible
- he couldn't believe all of those things were going to actually be happening a month ago
- but he's happy with it & life
- he's also exhausted and doesn't know what to do
- he is a withered dead tree looking over a valley of all the good things that have happened over the years
- he should probably make some videos in december
- he has one idea
- there's something going up relating to the audiobook and we are going to make it together as a community
- it'll be fun
- they just need to find out how it's gonna work
- prob after pinof
- they were in a smosh video
- they stopped watching scream queens
- even at its worse AHS is a blessing upon all of us
- there's a couple radio shows in december look out for them
- martyn has worked so hard dan's proud of him
- new years resolution 2016: tweet more
- grimes has a new album called art angels and it's amazing and you should listen to it
- he was listening to it all week in america
- it's GOOD
- that's fun
- something exciting with him and phil is happening tomorrow that was supposed to happen in august
- stop being PSYCHIC
- a lot of Green in the tumblr queue tonight
- dan is NOT talking about the grass flops
- he's gonna go cause he's hungry
- he gets "stomach bubbly" when he eats before liveshows
- hope you've had a lovely tuesday
- look forward to nice things
- take a deep breath and say "everything's fine"
- GOODBYE
