Winter Pool and Summer Initiative

Hi,

In development terms with the domestic and international calendar running parallel the development opportunities and activities as with last summer have been relatively quiet.

Winter Activities.

However the calendar as now changed somewhat and we are looking to reignite some of the Speke pool activities as hosted previously.

The sessions will take place each Sunday only 11.00 a.m. until 4.00 p.m. on the following dates:

December 7th

January 4th

February 1st

March 1st

The session content consisting of improving personal technique and skills then

Dependent on the support and footfall with something like an ability based

4-5 competition games session to complete the program.

Invitations are welcome from upto 16 years old both boys and girls, with something like

20 places available. Cost £15.00 p.p. Interested? Then please get in touch.

Spring/Summer Activities

We are still looking to meet on the first Sunday/Weekend each month but we shall need to see the domestic and international calendar before deciding the dates.

The intention is that the activities and the participating group will then transfer to using the Collingwood venue during the better weather. With the potential that if the numbers are sufficient that the activities could be extended to cover the weekend.

There is an Saturday option in the use of the pool on offer. However that has additional

cost implications which in the absence of a known response at this point we just need

to be a little cautionary.

Let me know your interest if you would please?

Thanks

Mike Moffitt
