

Mount Horeb Area School District

Our Future: Prepare. Learn. Lead.

Student Google Account Opt-Out Form

Web-based accounts are provided by Google Inc. for Mount Horeb Area School District students. These accounts are used primarily for access to **G Suite for Education** which includes online tools for communication, collaboration, time-management, and document storage. This system has been selected by District staff primarily for its meaningful impact on education, and its efficiency and simplicity for use with students.

Access to this account comes with the ability to use select tools from the G Suite for Education suite. The availability of these tools may change in the future. For more information about G Suite for Education and the tools that may be available, please visit the following site:

<http://www.google.com/enterprise/apps/education/products.html>

A few of our reasons for supplying these tools to students are:

- To give our students practice in using current technology applications and tools
- To give students the ability to work on common, no-cost tools on their own documents both at school and outside of school
- To facilitate paperless transfer of work between students and teachers
- To provide adequate long-term storage space for student work
- To help students work collaboratively, engage in peer-editing of documents, and publish for a wider audience
- To provide a digital environment where our students and teachers can work collaboratively

In requirements outlined in the [Children's Online Privacy Protection Act](#) (COPPA), Google Inc. requires that the ability to opt-out be provided to parents/guardians of students under the age of 13, should parents/guardians not want an account created and assigned to their child. *If this form is not signed and submitted to the Mount Horeb Area School District, then your child will be given an account to use throughout the school year.*

You may opt-out at any time. This form is available on the Mount Horeb Area School District website. By signing this form, I acknowledge that my child is **under the age of 13 and will not have a Google Apps for Education account created for communication and collaboration with students and staff within the Mount Horeb Area School District.**
