Tap Into The \$28–\$100 BILLION Regenerative Medicine Boom...

Without Wasting Money On Unproven Methods, Convincing Low Quality, Uneducated Leads, or Getting Burned Out Selling One By One...

Introducing: The 8 Figure Regenerative Medicine Profits High-Paying Cash Patients Attraction System

Hi, I'm Dr. Scot Gray.

If you've watched any of my videos or training online, then you'd know I grew my successful Chiropractic business, sold it and then started 8 regenerative medicine practices.

{If you haven't watched the full interview yet, I highly encourage you to watch this first}

When I stumbled into Regenerative Medicine, it changed my life!

Finally, I was able to help MORE PEOPLE with more options... not only did I see results, I saw MUCH better profits.

My proven Patient Infusion Method that has sold multiple 8 Figures In Regenerative Medicine allows you to have an unfair, secret-weapon to attract Umbilical Cord Stem Cell, Exosomes, Peptide, Hormone Optimization, and any other HIGH-PAYING Cash Patients ready to pay, stay, and refer!

My simple Mini-Workshops, Webinars, and Lunch-N-Learns Machine—can fill your practice, dominate your area, and build instant credibility... in as little as 30 days. And we'll show you how to set it all up where you don't have to do it... giving you more freedom and true opportunity for growth.

This isn't a theory. Right now, there are 30 teams, across 23 states, successfully helping patients get relief, restore mobility, and reclaim their vitality using my System.

Why This Matters (Now More Than Ever):

- ✓ The Regenerative Medicine Boom Is Exploding – From \$28 Billion today to over \$100 Billion by 2032 — and most clinics are completely unprepared to capitalize on it.
- ✓ Big Pharma Can't Stop It – Patients are waking up. They're tired of pills, side effects, and “managing” their pain. They want results, vitality, and real healing.
- ✓ The Opportunity Window Is NOW – Within the next 12–18 months, every city will have a “Regenerative Specialist.” The question is... will you be the trusted authority they turn to—or will your competitors own the space?

The Big Problem:

Clutter in the marketplace.

Everyone is saying the same thing; patients don't know who to trust...

Confusion as to what the best protocol is for them... or even how to decide what is best for them?

The good news is:

People are looking for answers from someone they feel they can trust, who is credible, and local.

We've found that the easiest and fastest way to do that is to stack authority “Assets” that work for you 24/7/365.

The way myself, my partners, and clients have sold WELL over 8 figures in Stem Cell and Regenerative Medicine...

We start with an in-person or virtual webinar... that takes prospects through everything a person needs to know to make a great decision and feel confident about moving forward with treatment.

This instantly builds trust.

But most people do NOT know how to create an education based workshop that doesn't

come across as one long sales pitch—People can't stand that.

With my **8 Figure Regen Profit Boardroom**, you'll never have to worry about coming across any way other than being seen as the #1 Expert and Authority on Regenerative Medicine, because you are using PROVEN and Up-To-Date Marketing and Education.

PHASE 1: Cash Surge + Clinic Reset (First 30 Days)

Free Your Time, Eliminate Stress, Install the Regenerative Medicine Profit Engine, and Create Your First \$10K-\$30K Cash Surge

The first 30 days are designed to do three things immediately:

1. Turn your clinic into a Regen-ready marketing machine for high paying cash patients.
2. Put at least \$10K-\$30K in NEW cash revenue into your practice using the system.
3. Schedule and install your first virtual or in-person workshop.

Here's how it works:

Step 1 — Regenerative Profits Diagnostic™

We begin with a simple but powerful onboarding process that identifies:

- Your clinic's biggest bottlenecks
- Your current revenue & hidden revenue pockets
- Your regenerative medicine expansion potential

- Your 12-month financial targets
- Your authority & marketing gaps

Regen Profits Protocol™

Your exact blueprint for dominating your area with Stem Cell, Exosome, Peptide, and Functional Medicine patients.

Step 2 — Your First Workshop Installed & Ready to Use

Within the first week you receive:

- Your Proven Stem Cell/Exosome Workshop
- All slides, scripts, patient education content, and follow-up sequences

This will be followed up with the proven 10 step presentation framework that is customized to:

- Your Peptide Optimization Seminar
- Your Functional Medicine / Longevity Workshop

All customized so your team can plug-and-play.

This system alone has generated multiple 8 figures in regenerative medicine sales for Dr. Scot, his partners and licensees.

PHASE 2: Authority + Clarity + Predictable Revenue

Create Absolute Clarity in Your Business Growth Plan, Patient Flow, and Financial Targets So Your Clinic Grows Automatically

After your initial surge, Phase 2 is where we engineer predictability, authority, and repeatable high-ticket conversions into your practice. This is where your team becomes confident, your systems become structured, and your revenue becomes far more consistent.

Effortless Closing for High-Ticket Cash Patients

Effortless closing isn't about pushing harder — it's about creating an environment where high-ticket regenerative patients naturally close themselves in a zero-resistance atmosphere.

Using Dr. Scot Gray's proven One-to-Many education framework, your team learns exactly how to guide patients through a trust-building, decision-making process that feels supportive instead of salesy.

Whether you choose to train your existing team or hire a dedicated Sales Presenter, we give you the roadmap to freedom—a structure where someone else handles the presentations, the education, and the high-ticket recommendations with confidence.

We'll even give you access to our sales hiring team if you want them to hire and train your sales person or Case Manager for you, so you don't have to do the presentations at all

When combined with simple, repeatable systems that pre-educate patients before they ever walk through your doors, closing becomes natural, predictable, and stress-free.

The result?

A practice where high-value patients pay, stay, refer... and where you finally have the time and margin to grow instead of grind.

PHASE 3: Scale & Wealth

Now you have a High-Paying Cash Patient System driving cash flow predictably.

And using the **Freedom Protocol™**, you're in full control of your time. Your business runs like a well-oiled machine, allowing you to feel more relaxed day-to-day while gaining more confidence and staying focused on your goals like never before.

This is when you can focus on Scaling and Building Wealth.

We'll take you through our **Perpetual Wealth System™** to calculate exactly how much money you need to (responsibly) to **live your ideal lifestyle** - both today and forever into the future - even if you decide to stop practicing or running your clinic one day.

And you'll know exactly what to do in your business to achieve it.

We'll set proper financial foundations, rules, account structures, automated transfers & investments so that **your business profits fuel your wealth-building - literally on**

autopilot.

My mentor- who will remain nameless until you meet him - will be sharing his exact system that has led some of the wealthiest people in the world (many names you would know) to hire him to reduce taxes, accelerate investments, and optimize their entire financial ecosystem.

Every week, we get together for a **virtual board meeting** on Zoom where we get granular, break down your biggest ideas, and turn them into clear, actionable execution.

We use data—**not gut feelings or shiny-object distractions**—to pinpoint your biggest constraint, then focus on optimizing the area of your business or finances that will create the greatest increase in profit.

We also host **Live, in-person masterminds 3x per year** to go deeper on strategy, current webinar and workshop tactics, influence, persuasion, communication, mental resilience, marketing, sales, data and money—alongside other 6- and 7-figure Titanium Members.

We've built a system, tool, template, course, playbook or process for everything you need to attract and convert High-Paying Cash Patients for Stem Cell and Regenerative Medicine - and it's all powered by Dr. Scot AI so you can **get 24/7 feedback, guidance and coaching** as a bonus.

You'll also have my hands-on guidance. You will have **weekly access with myself and your new tribe to go** over the next 12 months, **ensuring I'm consistently looking under the hood of your business and helping you fine-tune every key decision.**

You'll always know the exact next right move—the action that moves the needle the most (and just as importantly, what not to waste time on). If you ever get stuck, a quick post in the community or a message to Dr. Scot AI will get you clear and moving again. And you'll be surrounded by other members who support one another—because iron sharpens iron.

[We make it easy to get started and see ROI quickly.](#)

Once you're accepted, you'll immediately receive my \$50,000-in-10-Minutes Campaign—a proven, copy-and-paste system you can swipe and deploy instantly. This is perfect if you want a Cash Surge Within 10 Days from today.

We kick things off with a fast start call once you are accepted into the group to design your personalized protocol and identify the highest-profit-producing actions you'll implement in your first 30 days.

Our standard enrollment is: \$10,000 down + \$2,000/mo for continued mentoring, access to the elite group, and ongoing licensing resources.

But for this cohort, you can get started for: **Just \$2,000 to join, then \$2,000/mo for 11 months.**

After that, we move month-to-month—as long as you're loving the process and seeing results.

Or, if you prefer to save: Pay for the year upfront and get 3 months free — only \$18,000.

Designed to pay for itself in the first 30-days or less.

Our average Stem Cell workshop is **profitable immediately**, and is the tip of the spear to grow your entire practice exponentially over the next 60 days.

We don't make any wild income claims. You still have to do the work.

But within 60 days, I know you'll be crystal clear on our exact process, what to do, and the step-by-step plan to hit your profit goals—just like the hundreds of practices before you.

Think about it... the only way you don't generate *at least* a measly \$4,000 in additional profit in your first 60 days is if the Ai apocalypse arrives early, you completely everything we say, or lose the ability to function.

But just in case one of those things happens - we offer a **60-day "Love It or Leave It" Guarantee.**

(I guess that would be irrelevant if the Ai apocalypse happened... but I digress)

If we miss the mark, something doesn't feel right, or it's simply not a mutual fit, we'll tear up the agreement and part as friends.

As long as everything feels aligned, we'll continue into Phase 3, focusing on scaling you aggressively over the next 12 months.

So, there's no risk to getting started, is there?

It's a small, elite group and I'm looking for the right people.

We keep this group intentionally small and only accept the right people.

You're likely a great fit if you:

1. Are a Chiropractor, Functional Medicine Doctor, or Med Spa CEO doing \$30K-\$100K+/month
2. Have 300+ people on your email or text list
3. Have capacity to take new clients or patients within the next 2-4 weeks
4. Have the courage to test, refine, and grow
5. Are friendly, coachable, and fully committed to playing "full out"

If that sounds like you—and you want more profit with less stress in 2025—here's your next step:

To lock in your spot, complete our short application survey so we can get to know you better, and place a fully refundable \$1,000 deposit.

If for any reason we find this is not the best fit for both of us, we'll refund your deposit immediately. Otherwise we'll get you rolling right away!

Step 1: [Click here to apply for one](#) of the 10 seats in our Boardroom Group

Step 2: I'll personally review your application and respond within 24-48 hours.

Dr. Scot Gray

P.S. As soon as you apply, we'll get you access to the **50K in 10-minutes System™** - a simple, powerful automated campaign you can set up in under 10 minutes that mathematically guarantees you'll add an extra \$15-50K profit monthly - even if we stop working together.

I know it sounds too good to be true... but you'll be kicking yourself when you see how simple it is.
