Privacy Policy

yassine bouhlil("we") collects your data in accordance with this Privacy Policy. Please read this policy to understand what data we collect and how we use it.

By downloading Ghost Castle Merge("App"), you expressly consent to the collection, storage, use, and disclosure of your personal data as described in this Privacy Policy. If you have any objections to this Privacy Policy, please do not use the App.

If you have any questions about your personal data or this policy, please contact us by email at mohtarif.99.9@gmail.com.

Section 1. What personal data do we collect about you?

We collect your personal data in order to achieve the purposes and uses described in this policy. This data is actively provided to us when you use our application, or actively collected by us when providing services to you, or shared with us by third-party partners. Details as follows:

- 1 email address;
- 2 the type, version, brand, operating system, solution and language of handset device;
- 3 the type and operator of network (3G, 4G, WIFI);
- 4 device identifiers(such as IDFA, IDFV, GAID);
- 5 the time you use the App;
- 6 behavioral usage of the App;

Section 2.Children

The App is not directed to, and does not knowingly collect personally identifiable information from children under the age of thirteen (13). If it is determined that such information has been inadvertently collected, we shall immediately take the necessary steps to ensure that such information is deleted from our system's database.

Section 3. How we use your personal data?

We use the personal info we collect (both individually and in combination with other personal info collected under this Policy) to help us operate our business, provide and improve our products and services, communicate with you, and advertise effectively. Some of the most common examples of how we use personal info include:

- ① Market the App (including any new features, as well as any existing, new or related products) to potential and existing users.
- ② Perform internal operations necessary to develop, provide, maintain, and improve the App, including providing customer and technical support, troubleshooting, conducting data analysis, testing, and research.
- 3 Understand how you interact with the App and personalize the content (including advertising).
- Maintain the safety, security, and integrity of the App, for example fraud detection.
- ⑤ Comply with legal requirements and/or to investigate or address claims or disputes relating to your use of the App.

Section 4. With whom is your personal data disclosed?

WE NEVER SELL OR RENT YOUR DATA TO THIRD PARTIES.

We may disclose your data to our professional advisers and business partners when reasonably necessary in order to manage risks, obtain professional advice, or to establish and defend our legal claims, whether in court or in an out-of-court procedure.

Section 5. How we secure your personal data?

We maintain administrative, organizational procedures, technical and physical safeguards, consistent with legal requirements where the personal data was obtained, designed to ensure the security and confidentiality against unlawful or unauthorized destruction, loss, alteration, use or disclosure of, or access to, the personal data we collect and process.

Section 6. How long do we retain your personal data?

We will retain your personal data for no longer than is necessary for the purposes stated in this Policy, unless otherwise extending the retention period is required or permitted by law. The standards we uses to determine the retention period are as follows: the time required to retain personal data to fulfill business purposes, including providing products and services; controlling and improving the performance and quality of the App; ensuring the security of systems, products, and services; handling possible user queries or complaints and locating problems; etc.

Section 7. Third party services

The App accesses services or advertisements provided by these third parties, and these third parties may collect your personal data. In this case, this Privacy Policy will not apply. The handling of your personal data by these third parties is subject to their privacy policies. Therefore, we recommend that you review the privacy policies of these third parties with the same caution.

Section 8. What privacy rights do you have?

You have the right to access or correct the personal data we hold about you. You may also:

- (1) request deletion or erasure of your personal data; and/or
- 2 object to profiling of your personal data.

Depending on where you live or where we operate, you may have additional rights. If you wish to exercise any of your rights, or if you believe that any personal data we have collected and held is inaccurate, or would like to request information about our policies and practices and the kinds of personal data we hold, please contact us.
