About me

Music producer, composer & sound designer with 10+ years of experience creating music for TV, games, and media. Worked with top global brands and labels including Universal, Warner, BMG, Sky & Banijay.

Professional Experience:

- 2023 - Present | **Co-Founder, COO & Head of Product** | [AINSOF](#)
Boutique music catalog & creative brand providing high-end music and sound design for media, TV, film, and games.
I led product strategy and business operations, from infrastructure setup to cross-functional management.
Driven significant growth through high-tier partnerships (e.g., KAN 11, Keshet), resulting in a CLIO Award for the Heinz/Mustard campaign and producing the official MLS trophy ceremony music.
- 2021 - Present | **Composer, Music Producer & Sound Designer** | **Freelance**
Created music and sound for TV series, films, trailers, and libraries for clients like Universal, Warner Chappell, BMG, and Artlist.
Sound Designed for mobile gaming studios such as SpacePlay and ZOE Studios among others.
- 2019 - 2025 | **Sound Designer & Music Composer** | **Beach Bum**
Produced in-game music and sound effects that enhanced player engagement and retention, while collaborating directly with game teams to plan audio identities and deliver high-quality sound across projects.
- 2023 | **Lecturer** | **Yoav Gera - Sound School**
Taught courses in audio post-process, plugins, and game sound design.
- 2019 | **Freelance Post Production** | **Kan 11 / Herzliya Studios**
Handled audio post-production tasks including editing, sound design, and final mixes for TV content.
- 2019 | **Intern** | **DB Studios**
Assisted engineers in film and TV audio post-productions with session prep and studio operations.
- 2018 - 2019 | **PA** | **Nola Socks Pub**
Operated live sound and stage setups for concerts and performances.

Professional Achievements :
