The Wyoming Utilities Tour Waiver and Release
Parental/Guardian Permission Slip

The City of Wyoming: Every plant tour participant, and their parent or guardian, if the participant is under age 18, must read this waiver form. Signatures below signify each person has read, understands and agrees to abide by this information.

Guided tours of the Wyoming Clean Water Plant and/or Drinking Water Treatment Plant are offered under the condition that I agree to waive and release any and all claims arising from or in any way connected to the tour. Also, my family members and I waive and release all claims against the Wyoming Clean Water Plant, Water Treatment Plant, or City of Wyoming, resulting from any accident or injury that may occur on the property.

I understand that tour attendees will be informed of all safety guidelines of the tour and provided with personal safety equipment. Tour attendees are expected to adhere to all safety guidelines and instruction, as well as properly wearing the applicable personal protective safety equipment.

Please be aware that as part of our efforts to provide Clean Water back to the Grand River, we must use certain chemicals during our Plant process that could prove harmful to health and life if a leak or spill should occur.

Our employees take every precaution to avoid leaks or spills of one these chemicals. However, if a leak or spill should occur while visiting at our Plant, be aware that you will be notified via our public address system. You will be directed to the appropriate evacuation location. Follow further directions from that point.

By signing this form, I understand that failure to follow safety regulations and guidelines, ranging from wearing protective equipment to touching machinery and following all stated rules, may result in the removal of one or more tour attendees from the tour, or the entire tour may be terminated at the discretion of the tour guide.
