# Free, At-Home School Readiness Program

Waterford UPSTART offers in-home school readiness that gives your child a fun start in reading, math, and science in just 15-20 minutes a day, 5 days a week for children enrolled in school-based pre-K, Head Start, or 4K child care in approved districts!

## NO COST

Waterford UPSTART provides children with in-home school readiness at NO COST the year before entering school.

Waterford will provide a computer at NO COST (which you may keep upon completion) and Internet while enrolled if you don't have it.

## PERSONALIZED

Waterford UPSTART uses the award-winning software Waterford Early Learning. It provides hundreds of hours of instruction with an individualized learning path, which builds upon your child's strengths, knowledge, and skills.

Children receive personalized reading, math, and science lessons.

## INDEPENDENT & FUN

Waterford UPSTART is easy to use making it possible for your child to work independently and it will capture their interest and imagination with engaging books, songs, and activities.

Waterford UPSTART is available to children in the year before they enter kindergarten.

## FULL-SERVICE SUPPORT

Each family is paired with a Licensed Early Education Professional (LEEP) and a Family Educational Liaison (FEL), a personal coach who provide updates, guidance, and encouragement. You can also monitor your child's progress with Waterford MENTOR, an easy-to-use website and smart phone app.
