The purpose of the Old Forge School District Academic Hall of Fame is to recognize alumni for their career and life achievements which began with their academic preparation while in our schools.

Nominee Eligibility:

1. Nominees must be alumni of Old Forge High School.
2. Nominees must have reached the age of 30 years or older before they are considered.
3. Nominations will be accepted annually, with a deadline of January 31st for recognition in that year.
4. Nominations must be made by completing an Old Forge School District Academic Hall of Fame form.
5. The nominee must have completed an advanced degree program **or** have received meritorious commendations for unique contributions to their vocation.
6. The nominee has achieved the highest honors and/or international recognition for their accomplishments in their career.
7. The accomplishment is so unique, special, and distinctive that any of the previously mentioned criteria may be waived.

Inductee Selection:

Nominating an individual does not guarantee they will be selected for induction. All nominees go through a screening process. The nominator may include other relevant information to be considered such as letters of reference, statistical highlights of the nominee's career, and/or other information that, in the opinion of the nominator, demonstrates that the nominee deserves to be inducted into the Old Forge School District Academic Hall of Fame. Selections for induction are made by the Old Forge School District Academic Hall of Fame committee. Nominations may be made throughout the year. Nominations will carry forward for ten consecutive years from the original date of nomination. If the nominee has not been selected for induction during that time frame, the individual must be re-nominated for further consideration.
