1.3) Marcus hugs him back.

Marcus
It's good to see you too.

1.4) We get the same shot, but the two little reunions are interrupted by Karena.

Karena
You know, it's great to see a reunion,
but I still don't know who you two are.

1.1) We cut to a shot of the two standing next to each other, with Wilt waving his hand as he says hello. Next to them are captions of their names and ages.

Marcus
Dang! How did I get here?

Karena
You don't remember?

1.2) We get a close-up shot of Marcus as he looks at Karena.

I'm exploring this place. There has to be a raft or something we used to swim here.

1.3) We get an over-the-shoulder shot of Karena, her expression one of sturdiness as Marcus walks away.

Karena

What makes you think we all came from the same place?

Marcus

Just trust me.

Burai

You, I think you should listen to what the nomad has to say.

1.4) We get a shot of Marcus looking in the direction of where he heard the voice; in this panel, it is only him.

Marcus

Whoa! Wait, who are you?

1.1) We get a full reveal shot of Burai standing on a branch like a gargoyle. He has a big grin on his face, with his weapon in the holster behind his back.

Burai

Sorry to scare you.

My name is Burai Ryuei; nice to meet you.

1.2) We get a shot of the three's reactions. Marcus stands in front of his brother with a worried look on his face, Karena's expression is one of light curiosity, while Wilt, being young, isn't scared.

Wilt

Hello, nice to meet you.

Marcus

Wilt! No!

Wilt

What? I was just being formal.

Karena

What brings you here, young Draco?

1.3) Burai picks his ear with his pinky finger, looking slightly irritated.

Burai

You know you're young too, so It's weird hearing you say that.

Burai (cont'd)

But to answer your question,
no reason besides just greeting you three; this is the first time I've
seen other people.

1.1) We get a shot of shocked Wilt as he tries to talk to Burai while Marcus is still in front of him.

Wilt

Wait, the first time? How long have you been here?

1.2) We get a low-angle shot of the three looking at Burai as he thinks about biting his finger on his chin.

Burai

Hmm.

Marcus

The demon can't answer because he doesn't have...

Burai

Rude! And yes, I can; it's been 12 weeks.

1.3-1.5) We get a shot of Marcus, Wilt, and Karena's reactions as they all say the same thing.

All 3

12 WEEKS!

1.1) We get a shot of Burai sitting on the branch as he swings his legs back and forth.

Burai

Yep, 12. I tried getting off the island,
but I haven't found any.

Burai (cont'd)

I tried waiting for one to pop up, but nothing appeared.

1.2) The three worry; Marcus tries to keep a straight face while Karena is biting her thumb, and tears are almost about to erupt from Wilt's eyes.

Marcus

Okay, now this is a huge problem.

1.3) Burai jumps down, his wings sprouting as he floats slightly down.

Burai

Oh, don't worry; there is a way off now.

Marcus

Wait, there is? How?

1.1) We get a shot of Burai pointing at Karena; meanwhile, in the shot, Wilt is surprised.

Burai

Her! She can help us off this island!

Wilt

For real? You can do that, Miss?

1.2) Marcus looks in the direction of where Burai is pointing while Burai is still pointing, wearing a happy expression on his face.

Marcus

Really? But she is just a normal maiden.

Burai

She's no normal girl; she's a nomad! Can't you tell by the way she dresses?

1.3) We get a close-up shot of Karena, shy.

Wilt

No-mad? What's that?

Burai

They're warrior-like wizards who can travel to different worlds in a snap.

Marcus

So, a witch? That's great.

Page 16

1.1) We get a point-of-view shot of Marcus, Wilt, and Burai reacting to what Karena said.

Karena
I-it's true, but I can't.

Marcus
Huh!

Burai
Wait, why not?

1.2) We get a shot of Karena touching her fingers together as she continues to grow shy.

Karena
W-well, because I'm just a nomad in training.
So I can't travel to and from the world without a teacher.

1.3) We get a comedic shot of the three *sighing* in disappointment, meanwhile Karena's face is in view as she tries to calm them down.

Burai
Well, there goes that plan.

Marcus
Man, we were almost there!

Wilt

I'm already missing Mom's cooking.

Karena

Now come on, there is nothing to worry about.

Page 17

1.1) We get a shot of Karena acting confident, planting her fist on her hand.

Karena

Burai is right; you have some place where we can take shelter as we figure out our situation.

1.2) We get Burai looking at her.

Burai

Yeah, I do actually, along with supplies that can last us for a couple of weeks.

1.3) We get a shot of the four as Karena smiles with joy.

Karena

Good! And since this island is floating, maybe another island will show up.

Burai

Yeah, true, but I think I forgot to mention something.

Marcus

What's that?

1.3) We get a shot of Marcus looking at Burai at the side of the panel as Wilt inspects him, holding his wings.

Marcus

Wilt, get away from it!

Marcus
Stay away.

1.2) We get a bird's-eye shot of the four as Marcus stands in front of his brother, stepping back a little.

Marcus
You too, witch.

1.3) Marcus begins to run, holding his brother.

Marcus
Come on, Wilt.

Burai

Wait, don't go in there yet.

1.4) We cut to Burai looking at the woods off-panel. Burai has no expression on his face as Karena feels a little bad for him.

Burai

Well, that went well.

Karena

I can't blame him. I bet when he comes there, no one likes us.

Well, I think so; I think we should let them be.

Burai

True, but I suggest we find them quickly.

Page 24

1.1) We get a wide shot of Marcus and Wilt in an open area of the woods. Marcus is catching his breath a little while Wilt is standing there, confused about what went down.

Wilt
Marcus, you look scared.
You ran away from Burai and Karena.

Wilt (cont'd)
I think we should go back.

1.3) We get the same view, but Marcus stands up as he finally catches his breath a bit.

Marcus
No, it's okay; we can survive. I currently took 5 years of warrior training, so hunting for food and crafting won't be hard.
