Dear **[Company Name]**,

I hope this letter finds you well. I am writing to you on behalf of Technical Toast and Butter Bots, a dedicated group of young engineers and innovators passionate about robotics and STEM education.

As we gear up for an exciting season of FIRST Tech Challenge (FTC) Robotics & FIRST Lego League (FLL), we are reaching out to local businesses like yours to invite you to become a valued sponsor of our team. Your support will play a crucial role in helping us achieve our goals and furthering STEM education in our community.

In return for your generous donation, we are offering an exclusive sponsorship package that includes prominent exposure for your company. Your logo will be prominently displayed on our custom team t-shirts worn at competitions and events, featured on our team website, and showcased across our social media platforms.
