2024-25 School Year

Dear Parents and Guardians:

Please see the information below regarding information on programs available to you and your student(s).

The **Weekend Kit Program** will, again, be provided at Scott School this year. This program is supplemental to the free breakfast and lunch programs offered at school every day and is intended to meet the nutritional needs of children during non-school hours, specifically over weekends or longer breaks.

Weekend Kits are designed to slip discreetly into your child's backpack and are available at **no cost** to your family. **There are no eligibility requirements to participate in this program.**

Each Weekend Kit includes breakfast, lunch, dinner and snack items and contains enough food to last each child two weekends. Foods included are kid-friendly items that are easy for your child to prepare or help prepare.

To enroll in this program, please call (517-668-3446) or email me (schwarzdea@dewittschools.net). Food kits will be sent home from school with your student, typically on Fridays. Upon enrollment in this program you will begin receiving a food pack every 1-2 weeks. Please reach out if you have any questions.

The **Old Newsboys Association** helps our community by providing children with either shoes or boots. If your child needs new shoes or boots and the purchase of them would be a financial burden, please contact me so that I may get you the necessary forms. It is not necessary to include your income information if your child qualifies for free or reduced lunch. We will forward your form to the Old Newsboys Association and they will send you a voucher for either shoes or boots. You may include all school age children on one family request form, even if they attend different buildings. Please do not send in duplicate requests if you included your child on another form.

If you have any questions regarding the programs above or are in need of any other resources for assistance, please do not hesitate to reach out to me at **517-668-3446** or via email at **schwarzdea@dewittschools.net**

Thank you,
