Dear Meridian Parent/Guardian,

Can you believe summer is just around the corner? We are already at work preparing to welcome your 5th grader into middle school! There are many exciting changes that take place in middle school: new classes, new friends, and--of course--new chances to learn.

On Wednesday, May 14, we will be hosting Switch Day--an opportunity for your 5th grader to briefly experience life as a middle schooler. Students will meet their future teachers, tour the building, and ask questions as part of their transition to the secondary level. Parents, please **indicate your participation preference through the RSVP form here**. Even if your student will not be participating, please complete the form so we may plan accordingly. Students participating will simply need to remain on campus from 1p.m. to 4:35 p.m. Parents needing to pick up their child during these times should visit the middle school front office.

Following the conclusion of Switch Day (4:35 PM), parents should pick up their child on the **green line** (and should remain in their vehicles). Please direct all questions to Matthew Castaneda (m.castaneda@mwschool.org).

Please continue checking your email over the summer for other important messages about the upcoming year.

We look forward to meeting you and your child!

Sincerely,

Crystal Lane, School Principal
Matthew Castaneda, Assistant Principal
Stefanie Zook, Counselor
Kim Ogo, MYP Coordinator
