

Statement of Faith

Angel Advocates is an ecumenical Christian charity whose mission and ministry are underpinned by the words of Christ Jesus; that advocacy is the “Spirit of truth,” sent in Jesus’ name by the Father. “The Advocate will not speak on his own, but will speak whatever he hears, and he will declare the things that are to come.” John 16: 13

Informed by our understanding of this teaching, Angel Advocates is open, welcoming, and inclusive of all people, to love and serve without judgement, for people of all faiths or none, regardless of beliefs, ethnicity or cultural background, sexuality, gender, gender identity, age, economic power, mental health, neuro-diversity, or ability and exists for the purposes of empowering and enabling all clients to tell their truths to power.
