

Setting priorities matters

Devoting a little of yourself to everything means committing a great deal of yourself to nothing - Michael Leboef.

Time is our most valuable commodity.

What will we choose? To save time or money. Many people focus on money. Mistakes with money can be corrected but time lost can never be regained.

Time is extremely valuable. We must prioritize how we spend our time.

Our lives are determined by the choices we make about how we spend our time.

Do we do the unimportant things first or do we do the important things first? Maybe we only pay attention to the unimportant things? If we do the unimportant things first, we may not have time left to do the important things.

Decide each day what the important things are that you need to do. (Maxwell, 2004:62)

Galatians 6:9 CEB. Let's not get tired of doing good, because in time we'll have a harvest if we don't give up.

Waarom die stel van prioriteite saak maak

Devoting a little of yourself to everything means committing a great deal of yourself to nothing - Michael Leboef.

Tyd is ons mees waardevolle kommoditeit.

Wat sal ons kies? Om tyd te spaar of geld te spaar. Baie mense fokus op die geld. Foute met geld kan reggestel word maar tyd wat verloor is kan nooit herwin word nie.

Tyd is uiters waardevol. Dit is belangrik dat ons moet prioriseer hoe en waaraan ons, ons tyd spandeer.

Ons lewens word bepaal deur die keuse wat ons maak oor hoe ons, ons tyd spandeer.

Doen ons die onbelangrike dinge eerste of doen ons die belangrike dinge eerste? Gee ons dalk net aandag aan die onbelangrike dinge? Indien ons die onbelangrike dinge eerste doen het ons dalk nie tyd oor om die belangrike dinge te doen nie.

Besluit elke dag wat die belangrike dinge is wat jy moet doen. (Maxwell, 2004:62)

GALASIËRS 6:9 NLV Moet dus nie moeg word om goed te doen nie, want as ons nie tou opgooi nie, sal ons op die regte tyd oes.
