

### **Panty Poem for L**

L these undies are to last you  
All throughout your life  
And R will be pleased to say  
He has a sexy wife!!

*(white thong)*

The first are for your wedding day  
Of course they are pure white  
We know R will shout “hooray”  
When he sees you on that night

*(sparkly yellow thong)*

For your first knock-down, drag out fight  
As a married couple  
Show R this cute sparkly pair  
And he’ll forgive you on the double!

*(pink leopard print thong)*

On your very first anniversary  
Say grrrrrr if you’re feeling naughty  
R won’t be able to believe  
He married such a hottie

*(cheekers with “because I said so” on butt)*

We know that you and R  
are such an equal pair  
But if you ever need to get your way  
Tell him to read your derriere!

*(orange/green/yellow thong)*

Then when the time is right for you  
And don’t be saying, “Maybe”  
You’ll wear some gender-neutral colors  
In honor of your baby

*(jungle print briefs)*

After many years of wedded bliss  
And having yourself a child

Coverage may be more than less  
But jungle briefs say WILD!

*(red full coverage lace briefs)*  
And finally when you're old and grey  
With these you can't go wrong  
'Cuz sorry L, but at that age  
You just can't wear a thong!

### **A's Panty Poem**

A these undies are to last you  
All throughout your life  
And J will be so pleased to say  
He has a sexy wife!!

*(ivory "bride" thong)*  
The first are for your wedding day  
The logo is quite right  
When you have J right next to you  
On your wedding night

*(blue/white stripe thong)*  
For a couple who loves the water  
And the great Northeast  
You can save these nautical panties  
For a marital trip to the beach!

*(black thong)*  
For your first knock-down, drag out fight  
As a married couple  
Show J this little number  
And he'll forgive you on the double!

*(pink leopard print thong)*  
On your very first anniversary  
Say grrrrrr if you're feeling naughty  
J won't be able to believe  
He married such a hottie

*(blue thong and purple thong)*

Then when the time is right for you  
And don't be saying, "Maybe"  
You'll wear one of these two pairs  
To tell the gender of your baby

*(pink full coverage lace briefs)*

And finally when you're old and grey  
With these you can't go wrong  
'Cuz sorry A, but at that age  
You just can't wear a thong!

### **C's Panty Poem**

C these undies are to last you  
All throughout your life  
And D will be so pleased to say  
He has a sexy wife!!

*(blue thong)*

As your wedding comes, continue to collect  
Things that are old, borrowed and new  
But let this lacy number  
Be your something blue!

*(tropical lace thongs)*

The next are for your honeymoon  
They're tropical and lace  
We hope you'll leave your hotel room  
Cause outside's a beautiful place!

*(black thong)*

For your first knock-down, drag out fight  
As a married couple  
Show D some lacy black  
And he'll forgive you on the double!

*(leopard print thong)*

On your very first anniversary  
Say grrrrrr if you're feeling naughty

D won't be able to believe  
He married such a hottie

*(blue thong and pink thong)*

Then when the time is right for you  
And don't be saying, "Maybe"  
You'll wear a little pink or blue  
In honor of your baby

*(cheekers with "because I said so" on butt)*

We know that you and D  
are such an equal pair  
But if you ever need to get your way  
Tell him to read your derriere!

*(sparkly orange thong)*

After 5 or 10 married years  
You'll still be going strong  
But if you need that sparkle back  
Just slip these babies on

*(jungle print briefs)*

After those years of wedded bliss  
And having yourself a child  
Coverage may be more than less  
But jungle briefs say WILD!

*(white full coverage lace briefs)*

And finally when you're old and grey  
With these you can't go wrong  
'Cuz sorry C, but at that age  
You just can't wear a thong!

### **Panty Poem for L2**

L, these undies are to last you  
All throughout your life  
And M will be so pleased  
To have you as his wife!

*(white undies with “kiss the bride”)*

These are for your current stay

As the bride-to-be...

We all know M’s excited to say -

“Back off - she’s marrying ME!”

*(black lacy thong)*

For your 1st knock-down, drag out fight

As a married couple...

Just show M this little number

And he’ll forgive you on the double!

*(blue polka dot and pink polka dot pairs)*

When the time is right again

And don’t be saying “maybe”

You’ll wear one of these 2 pairs

To tell the gender of your baby

*(blue pair with leopard fringe)*

On your very 1st anniversary

Say ‘grrrrr’ if you’re feeling saucy

M won’t hardly believe

He married such a hottie

*(pink lacy briefs)*

And finally when you’re old and grey

With these you can’t go wrong

‘Cuz sorry, L2, but at that age,

You just can’t wear a thong!
