

'Go Wild' School Garden Grant Proposal: 20%

Submit a grant proposal to the WWF-Canada's *Go Wild School Grants* program in order to create a plan for a school garden of Indigenous plants. Please see the document on our course website entitled '*Application Form*' to aid you in completing this assignment (Assignments - Go Wild - Application Form).

Submit a copy of the grant proposal for evaluation prior to your submission to the funder. The quality of the grant will be evaluated based on the following criteria and questions (established by the WWF) listed below (refer to the corresponding rubric on the course website):
