Post Clips for Sinparty

The goal is to get sign ups for Sinparty, so this is a banner posting campaign. Post only clips, not images. Post NSFW related content but in a way that it is allowed and subtile.

✔ You NEED a dedicated page for this campaign to participate, you can't post on any page. The page needs to reflect on the content, preferably related to Sinparty. Your account needs to be a new one, location visible. If you have a page in this niche with 10k followers or more you can post on there.

ON-SCREEN TEXT (OPTIONAL)

Use this banner on the video:

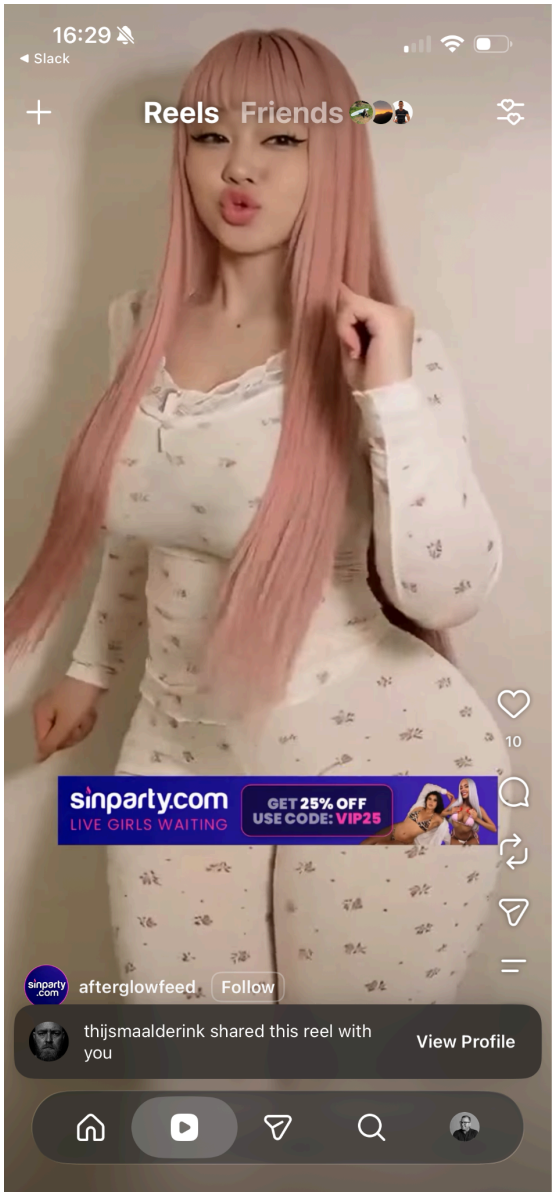

Banner Placement: The promotional banner must be placed within the **safe area/bleed** of the video (not cropped to fit the preview). This ensures that the banner is fully visible when a viewer opens the video, while remaining partially visible in the feed preview. Avoid placing the banner too close to the edges where it may be cut off in the feed.

See example of how the banner needs to be posted. Be sure the banner is visible on the screen and not half cut off or invisible.

⚠️ **EXAMPLE OF WHAT WILL BE DECLINED: DO NOT CROP THE BANNER**
