

Privacy policy

Body Temperature Checker ° – application developed by Jennifer Adams and offered at no cost. It is intended to be used as-is and may include optional paid features.

This document explains how we handle personal information for users who choose to use our app. By installing and using Body Temperature Checker ° , you acknowledge and accept the practices described here regarding the collection, use, and sharing of your data.

We may collect certain information to enhance and maintain the quality of our service. This data is used strictly for improving the app's functionality and performance and will never be sold or shared outside the scope of this policy.

Unless otherwise stated, all terms used in this Privacy Policy have the same meaning as defined in our Terms and Conditions available within the app.

Data Collection and Usage

To ensure a smooth user experience, we may request access to some personal information. Any such data stays on your device and is not stored or collected by us directly.

However, Body Temperature Checker ° integrates third-party services that might collect information to identify users. One of these services includes One Signal, which may use this data for features like notifications.

Log Data

When the app experiences an issue or crash, we may collect log information via third-party tools. This may include your IP address, device details, operating system version, app configuration, and usage timestamps. These logs help us troubleshoot and improve app performance.

Cookies

Although Body Temperature Checker ° doesn't use cookies directly, some embedded third-party libraries might use them to enhance their services. You can choose to accept or reject cookies, but declining them might affect certain app functionalities.

Third-Party Services

We sometimes work with external companies to help deliver or analyze parts of our service. These partners may access personal data to perform assigned tasks but are required to keep it confidential and use it solely for the agreed purposes.

Data Security

We are committed to keeping your data safe and apply industry-standard measures to protect it. However, no internet-based service can be 100% secure, and we cannot guarantee complete protection against all threats.

Links to External Websites

Our app may contain links to other websites. Please note that we are not responsible for the privacy practices of third-party sites. We encourage users to read the privacy policies of those websites before providing any information.

Children's Privacy

This app is not intended for users under the age of 13. We do not knowingly collect data from children. If we become aware that a child has shared personal information, we will promptly delete it. If you're a parent and believe your child has submitted personal data, please contact us immediately.

Policy Updates

We may revise this Privacy Policy from time to time. Any changes will be posted on this page, and it is recommended that users review it periodically. The latest version will always be available here.
