

Goodbye.

It's hard to believe this chapter of my life is coming to a close.

Here, I've made so many good friends.

And with them, so many good memories.

Goodbye.

It's here I've learned what it means to love.

Where I've learned to come to terms with my sexuality.

And not to be ashamed, but to be proud of who I am and who I've become.

Goodbye.

It's here I've learned how to cope with my emotions.

I've felt the greatest highs of happiness and the lowest depths of sadness

And it's here I learned how to put that turmoil down on paper.

Goodbye.

It's here where I've found a community. My community.

A place where I can both be myself and grow.

And whether or not I'm ready, it's time for me to move on.

Goodbye.
