The School District reserves the right to evaluate the evidence presented, and merely completing this form does not guarantee admission.

"A person who knowingly or willfully presents to any School District any false information regarding the residency of a pupil for the purpose of enabling that pupil to attend any school in that District without the payment of a non-resident tuition charge shall be guilty of a Class C Misdemeanor." (105 ILCS 5/10-20.12b)

This proof of residency form attests that the child is not enrolling in the District solely for school purposes and is living on a permanent basis with the person having complete custody and control. Registration of a student who is not a resident is a fraudulent act. Any submitter providing a fraudulent registration will be subject to the payment of retroactive tuition charges for non-resident students, not to exceed 110% of the per capita cost.
